Providence, Rhode Island

Dear Ed:

In reply to the request of the Ordinance Committee and in furtherance of my conversations with you concerning the appointment of members of the Council to the several boards, bureaus and commissions within the city government, it is my opinion that enabling legislation will have to be enacted by the General Assembly permitting a member of the Council to serve on these several agencies of city government.

With particular reference to the memorandum dated September 22, 1971 in which was included a copy of a Resolution before your committee naming the agencies; please be advised that if the Council should adopt the same, I will immediately begin drafting the necessary legislation to be presented to the next session of the General Assembly.

Very truly yours,

Robert J. McOsker
