Dear City or Town Clerk:

The second annual Rhode Island Recycles Day is November 15, 1998. On that day Rhode Island will join 45 other states under the umbrella of America Recycles Day. The event is aimed at increasing consumer purchase of recycled product and providing nationwide media attention and public support for recycling and waste reduction. The theme of the event is "If You're Not Buying Recycled, You're Not Really Recycling".

A State resolution will be adopted in celebration and support of the day. The Rhode Island Recycles Day Steering Committee invites your city or town to adopt the enclosed resolution at your next town council meeting.

Last year, 17 communities supported this recycling initiative by adopting resolutions. This year it is our goal that all Rhode Island municipalities adopt the resolution encouraging citizens to buy recycled, recycle more or support a recycling event. The adopted resolutions will be displayed at a Recycled Products and Fashion Show at Rhode Island Mall on November 14, 1998 as well as at other Rhode Island Recycles Day events.

Please call Terri Bisson at 222-3434 extension 4402, or Lynn Gannon at extension 4440, with any questions regarding the resolution or Rhode Island Recycles Day. We look forward to displaying a copy of your resolution in the spirit of Rhode Island Recycles Day.

Sincerely,

Andrew H. McLeod
