Way"**

XC: Antonio Morabito, Acting Public Works Director

The Department of Public Works Traffic Engineering Division has reviewed the Resolution to Establish a ceremonial designation along Candace Street from Orms Street to Chalkstone Avenue as the "Mary C. Jones Memorial Way." We researched available data and determined there does not currently exist a ceremonial designation for Candace St. We therefore are in support of the ceremonial designation as requested in the resolution. We will install the appropriate signs once final City Council approval of the resolution is received.
