RESOLUTION OF THE CITY COUNCIL

No. 170

Approved May 13, 1970

Resolved,

That

the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Department of Building Inspection subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated and further provided that the Director of the Department of Building Inspection may authorize minor changes in the structural detail of plans on file, viz:

John and Mary DiMarzio, Thomas and Santina Borrelli, Emilio Corvese, and Domenic Corvese, and Atlantic Richfield Company, 170 Silver Spring Street, Plat 72, Lots 276, 277-324 and 325. Install Two Six Thousand Gallons Gasoline Tanks, One Five Hundred Gallon Fuel Oil Tank, One Five Hundred Gallon Waste Oil Tank and Six Gasoline Filling Pumps; making a total capacity of Thirteen Thousand Gallons upon the premises and Six Gasoline Filling Pumps.

The erection or location of any buildings or structures not shown on the original plat on file with the Director of Department of Building Inspection, or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.

REMARKS

Present storage is (1) 4000 gallon tank, (1) 2000 gallon tank, (2) 1000 gallon tanks and (1) 500 gallon waste oil tank. We have no need for these tanks because of their location, therefore, we will dispose of them.

We wish to construct a car wash building (dimensions are 72'x27') and install two islands with (2) double pumps each as per the attached plot plan. We request the allowable storage of 13,000 gallons. This will be stored in new tanks. We will have (2) 5000 gallon tanks and (1) 3000 gallon tank.

We will sell gasoline and will give away a free car wash with any fill-up. If no gas is wanted, the car wash can be purchased.
