Providence, Rhode Island

Dear Mr. Bergemann:

On June 4, 1976, I received resolution #240 from the City Council approved as of May 21, 1976, which reads as follows:

Resolved, that the Acting Public Service Engineer is requested to cause the replacement of that old existing utility pole numbered two (2), located at 40-42 Richmond Street, with a new, more modern pole.

Therefore, I am requesting that you implement that portion of our Master Plan for relighting the City of Providence at your earliest convenience by removing the old 15000 lumen mercury vapor light and install your proposed new 21000 lumen Mercury Vapor.

Very truly yours,

John T. Crowley  
Utility Inspector  
Acting Public Service Engineer

Dear Joe:

Sometime ago, you requested that a replacement of the old existing Utility Pole located at 40-42 Richmond Street with a new, more modern Pole.

I submit the enclosure which is in compliance with that request, the same being self-explanatory.

Very truly yours,

Vincent Vespia  
City Clerk of Providence
