JOHN J. IGLIZZ, PRESIDENT

Tina L. Mastrolanni
ACTING CLERK

I HEREBY APPROVE.

Mayor

Date: 
6/28/22

STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2022

A N A C T

RELATING TO HIGHWAYS -- SOLAR PANELS

Introduced By: Representatives Phillips, Costantino, Shallcross Smith, Ruggiero,
Cortvriend, Carson, Speakman, Hawkins, Cardillo, and Amore
Date Introduced: January 06, 2022

Referred To: House Finance

It is enacted by the General Assembly as follows:

1 SECTION 1. Solar panel state highway advisory commission established.

2 There shall be established an advisory commission to be known as the solar panel state
3 highway advisory commission (the "commission") to determine the most appropriate placement
4 of solar panels on median strips on interstate highways and route 146, carports at state parking lots,
5 and such other locations as the commission determines. In making such determinations, the
6 commission shall seek placements which would provide and generate maximum returns on the
7 investment as well as producing substantial amounts of energy. The commission shall consist of
8 the director of the department of transportation, or designee, the director of the department of
9 environmental management, or designee, the chairperson of the public utilities commission, or
10 designee, the director of the office of energy resources, or designee, and three (3) members of the
11 public appointed by the governor.

12 SECTION 2. The commission shall make findings and recommendations regarding the
13 placement of solar panels on median strips on interstate highways and route 146, carports at state
14 parking lots, and such other locations as the commission determines. The commission shall also
15 make recommendations to the general assembly regarding proposed appropriations for the costs of
16 installing and maintaining the solar panels and any ancillary equipment required to operate the
17 panels. The general assembly shall seek to utilize funds received from the American Rescue Plan
18 Act of 2021 in making appropriations to support this project and to implement the
19 recommendations of the commission.

1 SECTION 3. This act shall take effect upon passage.

EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF
A N A C T
RELATING TO HIGHWAYS -- SOLAR PANELS

1 This act would establish an advisory commission to determine the placement of solar
2 panels on median strips on inter-state highways and route 146, and other locations. This act would
3 also direct the General Assembly to seek to utilize funds received from the American Rescue Plan
4 Act of 2021 in making appropriations to support this project and to implement the
5 recommendations of the commission.

6 This act would take effect upon passage.
