

THE CITY OF PROVIDENCE  
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

# RESOLUTION OF THE CITY COUNCIL

No. 175

*Approved* March 23, 1987

RESOLVED, That permission is hereby granted to New England Telephone Company to place one terminal box and associated conduit on Lot 564, as set out and delineated on City Assessor's Plat 39, located along Humboldt Avenue, same being in accordance with plans submitted.

Andrew J. Annaldo  
Chairman of City Properties  
City Clerk's Dept.  
Providence City Hall  
Providence, RI 02903

Dear Mr. Annaldo,

In order to meet increased demands for additional lines and new service, New England Telephone is proposing to update the telephone plant in various locations in the Providence area. Cross connect terminal boxes will be placed at selected locations to accomplish this. One of the sites chosen is Lot 564 Assessor's Map 39 located on Humboldt Avenue, Providence, RI, which is owned by the City of Providence.

New England Telephone is requesting permission to place one terminal box and associated conduit on the lot. Permission has been granted by the Telecommunications Department, however, it is my understanding that the City Properties Committee must also approve the request. (See attached letter and plan)

Material ordering and work schedules must be initiated well in advance to placing the equipment so an early reply to this request would be appreciated.

If you have any questions or require additional information, please call me at 272-4214.

Dear Edith:

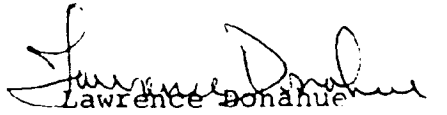

Re: Pad placement Humbolt Street Fire Station

We have inspected the above location and find that the installation should not affect us in any way.

Your note indicated that all landscaping would be restored to former appearances.

Please feel free to commence work whenever it is convenient.

Sincerely yours,

  
Lawrence Donahue  
Deputy Director

TO: ROSE MENDOCA, CITY CLERK  
FROM: MICHAEL F. MOISE, CHIEF OF DEPARTMENT

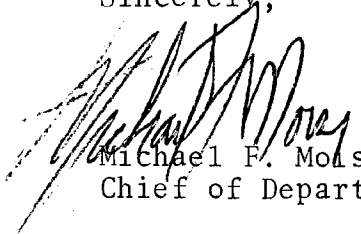

Dear Rose:

I have reviewed the plans submitted by the New England Telephone Company concerning the placement of a cross connect terminal box on the property of the Humboldt Avenue Fire Station.

It appears that the placing of this box at the location sited on the plan, will not affect the Fire Station cosmetically nor operationally, therefore it meets my approval.

Should you have any further questions, feel free to contact me.

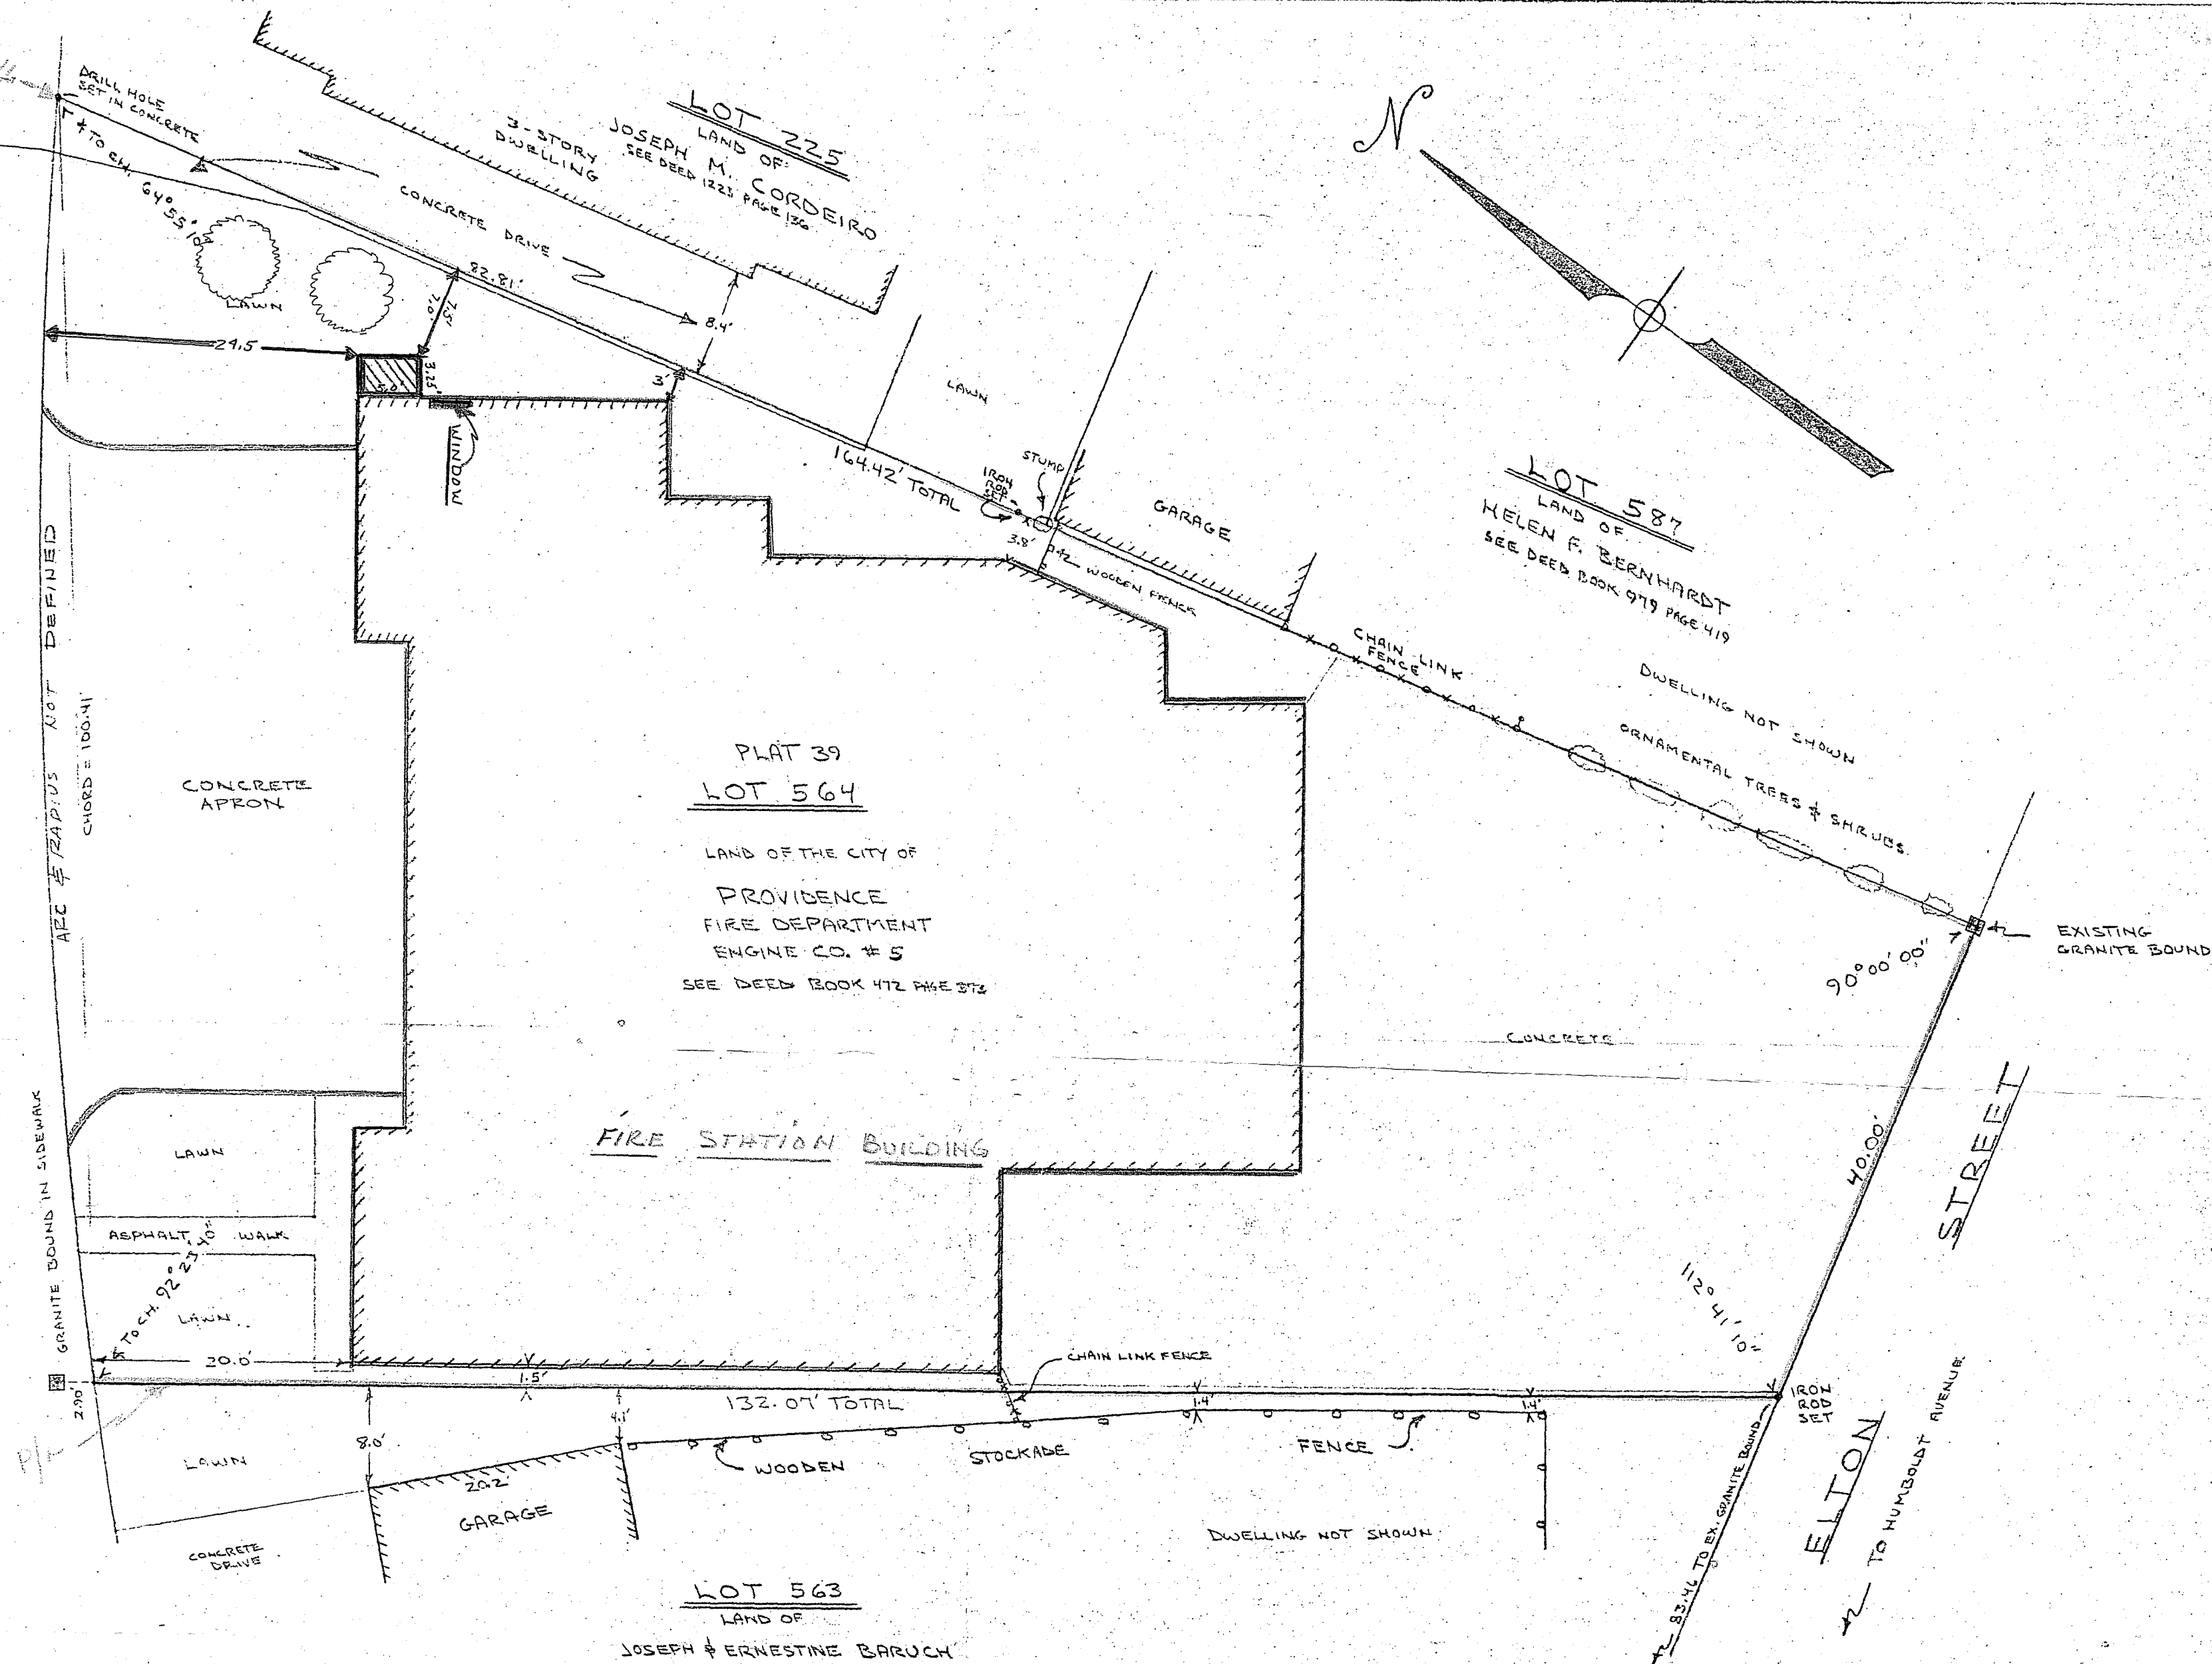

Sincerely,

  
Michael F. Moise  
Chief of Department
