Dear Mr. Clement,

I am writing this letter on behalf of Community Preparatory School. Due to numerous complaints from both parents picking up their children and concerned bus drivers and monitors about heavy traffic congestion outside the school during dismissal time, we are requesting for Somerset Street to be converted into a One Way Zone. We feel that this traffic modification will not only ease parent anxiety, but create a much safer atmosphere from which the children will be dismissed.

Respectfully,

Azikiwe K. Husband  
Director of Student Activities
