RESOLUTION ITEM 5

Councilman

The following memo is a response to resolution 5 to be heard at the 9/25/18 Public Works Committee Meeting

5. Resolution requesting the Traffic Engineer to cause the installation of crosswalks on Douglas Avenue between Eaton Street and Admiral Street.

Response: The striping of all of Douglas Avenue has been given to our striping contractor to perform the work. The design of the new road striping is still being finalized. As part of that restriping all the existing crosswalks on Douglas Avenue between Eaton Street and Admiral Street will be restriped with new crosswalks added at Coggeshall Street and Allicant Street. It is anticipated that this work will be completed by the end of the year if not in the Spring of 2019.
