Mr. and Mrs. Ernest J. Moniga  
31 Callan Street  
Providence, Rhode Island

Dear Mr. and Mrs. Moniga:

A rehearing of the petition to construct a common sewer on Compton Street has been ordered for November 14, 1960 at 3:00 o'clock p. m. before the Committee on Public Works of the Providence City Council.

At the last hearing before the Committee the only objection to the proposed sewer construction was the assessment of a share of the expense to the abutting owners. Since that time I have had an opportunity to discuss the matter with Mr. James H. Doorley of North Providence, who is the present owner of certain lots on Compton Street which require this sewer construction for future development. In order to avoid any misunderstanding and preserve the good will of the adjoining land owners, Mr. Doorley has agreed to assume the entire assessment costs of this proposed sewer construction.

I would appreciate your contacting me immediately if there are any questions with regards to this project.

Yours truly,

Joseph A. Doorley, Jr.
