

THE CITY OF PROVIDENCE
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

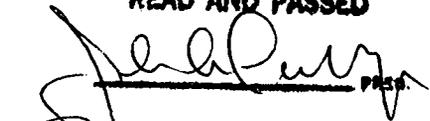

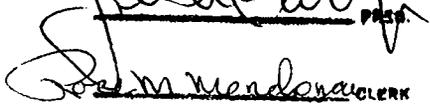

RESOLUTION OF THE CITY COUNCIL

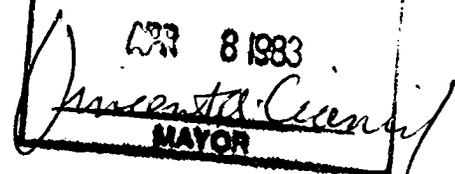

No. 283

Approved April 8, 1983

RESOLVED, That the Legislature review the structure of the Narragansett Bay Water Quality Management District Commission and review whether or not the Commission should be regulated by the Public Utilities Commission and since Providence is only one of thirty-eight other Communities that pollute the bay, the Legislature further review as to whether or not, under the Public Utilities Commission or the Narragansett Bay Water Quality Management District Commission, the State should regulate all sewage treatment plants so that the cost can be bore equally by individuals and residents throughout the State.
