RE: Resolution Requesting the Director of Public Works to repair sidewalk 33 Beaufort Street

Dear Chairman Tejada:

Department of Public Works staff has reviewed the sidewalk at 33 Beaufort Street as requested in the Resolution dated July 3, 2008 by Councilman DeLuca. The work is similar to that which we typically handle "in house". We have added this location to our list of sidewalk repairs and anticipate that the work will be completed before the end of this construction season.

Respectfully,

John D. Nickelson, PE
Director of Public Works
