

THE CITY OF PROVIDENCE
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

RESOLUTION OF THE CITY COUNCIL

No. 178

Approved April 14, 1978

Resolved,

That

the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Department of Building Inspection subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated and further provided that the Director of the Department of Building Inspection may authorize minor changes in the structural detail of plans on file, viz:

Atlantic Richfield Company, 358 Broad Street, Plat 29, Lot 325, Four (4) Additional Pumps, making a total of Eight (8) Pumps upon the premises.

The erection or location of any buildings or structures not shown on the original plat on file with the Director of Department of Building Inspection, or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.

Providence Building Inspection Dept.
Providence, Rhode Island

RE: APPLICATION FOR ADDITIONAL PUMPS

Dear Mr. Pagliaro:

We are submitting herewith the following material:

1. 2 copies each of the site plans.
2. 2 copies each of the applications.

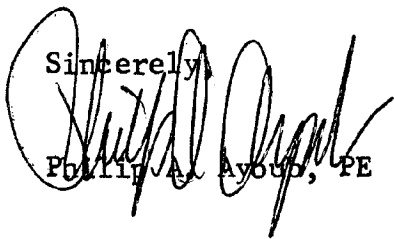

These plans and applications are for the following locations:

358 Broad Street- for 4 additional pumps (to a total of 8).
200 Union Avenue- for 5 " " (to a total of 10).
170 Angell Street- for 4 " " (to a total of 10).
130 Douglas Ave. -for 1 " " (to a total of 10).

These are all actively operating ARCO service stations. As we had discussed a couple of days ago, we would like to proceed with the applications under the present system. If a change should occur within the next couple of weeks in the procedure, then a change can be made.

If you have any questions, please do not hesitate to call. We trust that the information is complete.

Sincerely,

Philip A. Ayoub, PE
