Mr. Lombardi,

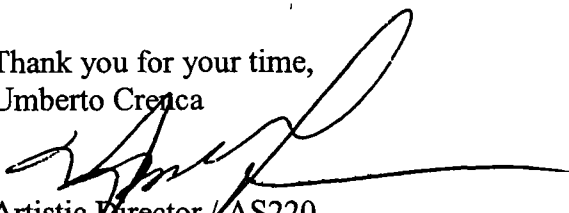

AS220 is making a formal request to close Aborn Street in downtown Providence on Saturday May 11 from 5pm – 3am

AS220 has had a major yearly fundraiser every year for the past 8 years in which we involve artists and people from Providence and surrounding communities. Over the last 8 years the Fools Ball has become the best and most interesting fundraiser of the year.

The Fools Ball consists of a parade and a party. On Saturday May 11 hosts a Sponsors Reception from 8pm-10pm, the dinner is followed by a Three Story House Party where our building is open to the public. This party has music and dancing until 3am and attracts all walks of life.

In the past the sponsors reception has been held in a different location than the house party but this year we are bringing all onto one site. We are going to lay sod in the parking lots that are behind our building and abutts Aborn Street. We will be feeding 400 people from the Providence arts and business community. This year's Honorary Chairs are Mayor Vincent A. Cianci, Patricia & Terry Moran, and Arlene Chorney the principal from The Rhode Island Training School.

Thank you for your time,
Umberto Crenca
