AGREEMENT

Pursuant to the provisions of Chapter 28-9.1 of the General Laws of the State of Rhode Island, 1956, as amended, entitled, "An Act to Provide for Settlement of Dispute Concerning Wages or Rates of Pay and Other Terms and Conditions of Employment of Fire Department", this Agreement is made and entered into this ____ day of _____, 1992 by and between the CITY OF PROVIDENCE (hereinafter referred to as the "City") and LOCAL 799, INTERNATIONAL ASSOCIATION OF FIREFIGHTERS, AFL-CIO, (hereinafter referred to as the "Union").

PREAMBLE

The Union acknowledges and recognizes that the City has in the past years embarked on a systematic program to raise the level of fire protection in the City of Providence by the periodic purchase of new fire department vehicles, apparatus and equipment and by the rebuilding and refurbishing of current equipment and fire department facilities. The Union recognizes and acknowledges that at times this systematic program has put a temporary strain on existing fire department equipment and apparatus, and as a consequence, has caused the City to borrow equipment from surrounding communities in order to maintain its full level of fire effectiveness. The Union endorses what the City has done in this respect and endorses completely the City's plans to purchase new engines and ladder trucks and also new safety equipment.

ARTICLE I

Section 1 - RECOGNITION

The City recognizes the Union as the exclusive bargaining agent for, and this agreement shall only apply to, all uniformed employees of the Providence Fire Department, excepting only the Fire Chief, Assistant Fire Chiefs, Deputy Assistant Fire Chief, Fire Battalion Chiefs, Fire Marshall, Fire Equipment Superintendent I, and Fire Equipment Superintendent II, for the purpose of collective bargaining and entering into agreements relative to wages, salaries, hours and working conditions; unless, however there exists herein specific language to the contrary.

The rights of the City and the rights of the employees of the Fire Department under this agreement and under the Firefighters Arbitration Act and State Labor Relations Act shall be respected, and the provisions of this Agreement shall be observed for the orderly settlement of all questions arising under this agreement.

Section 2 - UNION SECURITY

The City agrees not to discharge or discriminate in any way against employees covered by the Agreement for Union membership, activities or employment, and shall permit the use of bulletin boards in the fire station for the posting of notices concerning Union business and activities.

The City and the Union recognize that this is an agency shop agreement and in accordance with such, it is understood that each

employee who is a member of the bargaining unit herein above-defined, but who is not a member of the Union, shall be liable to contribute to the said Union as representation costs, an amount equivalent to such dues that are from time to time authorized, levied, and collected from the general membership of said Union. The City agrees to deduct the above amounts from the earnings of each of said employees so covered by this Agreement in accordance with Section 3 hereafter.

Section 3 - DUES DEDUCTED

The City shall, at no expense to the Union, deduct Union dues weekly upon receipt of authorization from members of Local 799 who sign lawful deduction form cards to be supplied by the Local, and members must continue to pay dues for the duration of this contract. Authorization of dues deduction by a member of the Union may be revoked by thirty (30) days' notice, in writing, to the City Controller and to the Secretary-Treasurer of the Union such deductions in each month following the month of deduction. Dues deducted shall be forwarded by the City to the Secretary-Treasurer of the Union.

The Union agrees to indemnify the City and hold it harmless for any and all claims, liabilities, and costs incurred by the City as a result of the City's compliance with Section 2 and/or 3 of this Article, provided that this indemnification by the Union shall not apply in the event of the City's noncompliance with Section 2 and/or 3 of this Article.

Section 4 - NEGOTIATIONS

All employees covered by this Agreement who are officers of Local 799 or who are appointed by Local 799 as members of that committee's collective bargaining negotiating team (said negotiating team not to exceed ten (10) in number) shall be allowed time off for official Union business in negotiations or conferences with the City Administration, Commissioner of Public Safety and/or Chief of the Department, with pay, and without the requirements to make up said time; except that this provision for time off, with pay, shall not apply to more than three (3) members at one time.

Section 5 - UNION ACTIVITIES

Elected Union Officials, President, Vice-President, Secretary-Treasurer, and six (6) Executive Board Members (including a Health and Safety Representative) who are on duty shall be granted time off with pay to attend: (a) all scheduled Local Union meetings; (b) as delegates, not to exceed four (4) in number, the IAFF National Convention, the Annual State AFL-CIO Convention, the IAFF Legislative Conference, and the IAFF Health and Safety Conference; (c) not to exceed two (2) in number, the following four (4) annual convention/seminars, the cost of which are to be assumed by Department, not to exceed a total cost of \$2,000.00 per convention: Hazardous Materials Seminar, Employee Assistance Seminar, International Association of Firefighters Regional Seminar, and Pension Benefits Conference. The Chief of the Department may deny

such time off in case of emergency. No elected Union official may be involuntarily transferred from one platoon to another during his/her term of office.

ARTICLE II

MANAGEMENT RIGHTS

The City retains all rights and responsibilities granted by law to manage, control and direct its Fire Department except as specifically abridged herein by the provisions of this Agreement.

The City shall retain the right to issue, after forty-eight (48) hours written notice to the President, Vice-President or Secretary-Treasurer of the Union, through the Chief of the Department, Rules, Regulations and General Orders covering the internal conduct affecting personnel and general personnel procedures of the Fire Department. Union officials will be permitted to meet with the Commissioner of Public Safety or the Chief of the Department, and they will make themselves available, in such forty-eight (48) hour period, to discuss the changes affecting personnel or general personnel procedures by the Rules, Regulation or General Order for which notice was given. If agreement cannot be reached between the Union officials and the Department officials, the dispute will be subject to the grievance procedure up to, but excluding, the arbitration step, except in the case of a violation of the forty-eight (48) hour notice provided herein, or in the event that the proposed Rule, Regulation or General Order violates a specific provision of this Agreement, then

a resort to arbitration shall be permitted.

C. A vacancy shall exist when a member is promoted, resigns, retires, dies or is terminated.

D. A vacancy occurs the day a member is removed from the payroll.

Section 2 - BID SYSTEM

A. Bids for vacancies shall be classified as primary, secondary, third, fourth and fifth bids. Primary bids will be awarded for vacancies created by Article IV, Section 1-C. Secondary bids shall be awarded for vacancies created by awarding

For the purpose of this section, the Rescue Division shall not be considered a special service.

G. Whenever a vacancy occurs through a promotion the bid for the vacancy shall be the member's assignment when he/she was certified for promotion by the Division of Training.

No member of the bargaining unit shall be eligible for promotion to Fire Prevention Lieutenant except after two (2) years of continuous service within the fire prevention bureau as a fire prevention inspector/investigator. No member of the bargaining unit shall be eligible for promotion to Fire Lieutenant except after two (2) years of continuous service within the fire suppression division as a firefighter.

B. The City shall have the Division of Training offer a minimum of one (1) school per year for firefighters and this school will be for the purpose of awarding points for promotions.

C. Promotion to the rank of Fire Prevention Captain shall be made on a competitive basis described by the fire department, provided, however, in the event there is one (1) Lieutenant, the examination shall be available to all Lieutenants in the fire department and in the event there are two (2) or more Lieutenants the examination shall be limited to the Lieutenants in Fire Prevention.

D. The source material list for preparation for promotional examinations shall be determined by agreement between the parties during negotiations for each collective bargaining agreement. (See list attached hereto as Exhibit A).

E. Eligibility and Qualifications for promotional schools shall be subject to the eligibility requirements and qualification requirements which are specifically delineated in the Providence Fire Department Regulation Governing the Operation of the Division of Training and which are hereby adopted for the purposes and

Section 5 - REVIEW OF EXAMINATION PAPERS

The examination papers of those members qualifying to enter promotional school may be made available for inspection by members who took the examination at the office of the Division of Training for a period of one (1) week after publication of the qualifying list. Any member who disputes the scoring of his/her examination and/or placement or non-placement on the qualifying list of members qualifying to enter the promotional school may present a grievance in accordance with the procedure as set forth in Article XV of this agreement.

ARTICLE V

Section 1 - DUTIES

The duties of the members of the Fire Department shall consist of prevention, control, extinguishing of fire, and emergency medical services, together with the necessary auxiliary administrative and service functions presently conducted by the Fire Department, and other governmental duties, such as filling municipal swimming pools, pumping of cellars and building inspection, as are or may be prescribed by the Commissioner of

Public Safety. Non-governmental duties shall be performed only with the consent of the Union President or Vice President. Beds will be made up daily by the individuals who last used them. Floor watch shall be eliminated effective May 1, 1988.

The shutting off of fire hydrants will not be required of firefighters except in cases of emergency.

Members of the Department shall comply with the Rules and Regulations issued by the Department as they are amended from time to time, and shall comply with General Orders and directives as they are issued, provided such General Orders and directives shall not violate or abridge any specific provision of this agreement, in which case the grievance and arbitration provisions of this agreement shall apply.

Section 2 -

All members of the bargaining unit appointed on or after July 1, 1989 shall, as a condition of continued employment, maintain certification as an emergency medical technician (EMTA). Any such member who applies for recertification and who makes a good faith effort to obtain recertification but fails the examination required for recertification shall be allowed a period of eighteen (18) months from the date of failure of said examination to achieve recertification. The City shall provide at its expense all

reasonable training expenses, supplies and equipment for any such member seeking recertification.

In addition, all members appointed prior to July 1, 1989 and currently certified as an EMTA until 1992 or 1993 will maintain that certification until the expiration of said certification.

Section 3 - DETAILS TO OTHER UNITS

Active members of the Providence Fire Department whose duties are as defined in Article V, Section 1, shall not be detailed to other City Departments. The detail from one unit to another within the Fire Department shall be the responsibility of the Chief Officers of the Department, subject to the approval of the Chief of the Department. The Chief of the Department, or his/her designee, shall have the authority to detail members with EMT-C certification to a rescue unit upon an as needed basis by rotation. ✓

ARTICLE VI

Section 1 - HOURS

The regular work week for members of the Fire Fighting Force shall be an average of forty-two (42) hours. The regular work week of the other divisions shall not exceed an average of forty (40) hours except that for members on duty in the Department of Communications the regular work week shall not exceed thirty-six (36) hours. All fire inspectors shall be firefighters or graduates of the Providence Fire Department Training School while awaiting appointment.

Section 2 - SUBSTITUTIONS

A. Members of the Department shall be permitted to substitute with members of equal rank within the Department, provided however, that within the same company officers shall be permitted to substitute with officers or acting officers. No substitutions shall be permitted when Departmental emergency conditions shall exist, unless the substituting member is on a ninety-six (96) hour leave of absence. All request for substitution shall be made on the proper forms and in accordance with the Department Rules and Regulations. Substitutions, other than Two-hour Relief Substitutions or Emergency Substitutions, must receive the permission of the appropriate Chief Officer twenty-four (24) or more in advance. Substitutions shall not be allowed for the purpose of engaging in outside employment. A member who substitutes for another member shall not be entitled to any additional pay for said hours worked in substitution over and above his/her own tour of duty.

B. Two-Hour Relief Substitutions

The right to substitute within the same company for two (2) hours or less shall be permitted and the right to substitute outside a company for the same period may be permitted, provided that all of the following conditions are met:

- (1) The substitute shall be qualified to perform all of the duties of the member for whom he/she is substituting.
- (2) The substitute must report to the officer in command

in proper uniform before relieving the member for whom he/she is substituting.

(3) The member substituting shall enter the time, his/her name and the name of the member for whom he/she is substituting in the Company Journal.

(4) If any Departmental emergency exists, the Chief or Acting Chief of the Department may suspend this privilege.

(5) Substitutions may be made at any time provided the member shall notify the officer-in-charge within one hour after the 8:00 a.m. or 6:00 p.m. time signal which starts a tour.

C. Emergency Substitution

(1) Substitution requests titled "Emergency" shall be granted, with approval of the company officer, upon the filing of the proper forms with the member's respective company officer.

(2) In the absence of the member, the member's company officer is hereby authorized to print member's name on #7 of the proper substitution form and make note thereof.

Section 3 - OVERTIME

All hours worked in excess of ten (10) hours on any day tour, or fourteen (14) hours on any night tour, shall be compensated for at the overtime rate of pay hereinafter set forth; provided, however, that members of other divisions who normally work shorter tours shall be compensated for hours worked in excess of a normal tour at any overtime rate of pay as hereinafter set forth; provided, that members held overtime for snow removal work or other

emergency work (not including firefighting) shall be guaranteed a minimum of one (1) hour's pay, and all overtime worked in excess of one (1) hour shall be compensated in one-half (1/2) hour intervals, and provided further that overtime shall be paid when men/women are held over at a fire already in progress while waiting for relief, and the men/women are held more than one-half (1/2) hour.

Section 4 - CALL-BACK PAY

Employees called back for duty shall be compensated for at least four (4) hours, in the event the overtime actually worked is less than four (4) hours, at the overtime rate of pay hereinafter set forth.

Section 5 - OVERTIME RATE OF PAY

The hourly rate of overtime pay shall be equal to time and one-half of one-fortieth (1/40) of the employee's weekly salary. Overtime will be paid on the pay day of the second week following the calendar week in which the overtime is worked.

Section 6 - CALL-BACK

In the event it becomes necessary from time to time to call to duty an off-duty member to replace a member, such call-back shall be on an officer-for-officer and private-for-private basis.

Call-back duty in the fire force shall be controlled by the Deputy Assistant Chief who is on duty when call-back is

anticipated.

As determined by the Deputy Assistant Chief that call-back personnel will be required to properly man the on-coming shift, the shift currently on duty will be utilized to perform the assigned call-back.

Members will be called for call-back duty according to seniority in the platoon to which they are assigned. They will be called by the Deputy Assistant Chief or his/her designee at the time the call-back is needed, and if the call-back duty is refused, he/she will not be called again for call-back duty until the rest of the members of his/her platoon have been called. Call-back duty shall be distributed as equally as possible among the firefighters in each platoon and for this purpose a firefighter who refuses a call-back shall be considered having worked the same.

If it becomes apparent that injuries or sickness of long duration will cause a particular group to accumulate more call-backs than other groups, then call-backs will be spread among the other groups to equalize the numbers.

In the event, either by call-back, by seniority, or by detail, a special function, such as tillerman, EMTA or EMT cannot be manned by a qualified firefighter, the Deputy Assistant Chief may call the senior firefighter qualified to do the special function work, and this shall count as call-back for the firefighter awarded the work.

Members who wish call-back will sign Form #17 on a yearly basis indicating they desire call-back. A copy of the call-back sheet will be sent to the Union President weekly along with a list

of refusal of call-back.

Every six (6) months the chart in the deputy Assistant Chief's office will be matched with overtime sheets and refusal sheets. A list will be prepared by seniority of members who have less call-back. This list will be used to equalize call-back.

The bargaining unit shall have the opportunity to match their call-back information with the department's information to prepare equalization lists. All call-back over ten (10) hours will be considered a call-back. Members who desire a short call-back which is defined as less than ten (10) hours will sign a Form #17 requesting said short call-back. A master list will be kept by seniority. Once a member has worked a short call-back he/she will not be called until all others have had an opportunity to receive a short call-back.

Assignment of short call-back shall be from the short callback list at the discretion of the Deputy Assistant Chief on duty, the Administration Assistant to the Department, or their designees from the short call-back list and equalized over a six-month period.

Thanksgiving, the night preceding, the day of, and the night of Christmas, and New Years, shall be days for which members of the bargaining unit may volunteer to work call-back/overtime and will not be charged for said call-back/overtime, provided however, that whenever no member elects to work a call-back or overtime, then the junior member of the working platoon shall be ordered to work said call-back/overtime.

Firefighters shall leave with the Deputy Assignment Chief a

telephone number where they may be reached for purposes of callback.

ARTICLE VII

Section 1 - VACATIONS

All employees shall be entitled to a vacation in the calendar year in accordance with the following schedule:

A. Upon completion of his/her training period and appointment as a permanent employee of the Fire Department, a member shall be entitled to eight (8) working days vacation during the calendar year in which he/she was appointed. For purposes of this article only, the appointment date for all employees sworn in on or after July 1, 1987 shall be the date that the member was actually sworn in as a permanent employee of the department, which date shall serve as their anniversary date for vacation purposes only.

B. During the calendar year and following the anniversary date in which they complete one (1) year of service, and in each calendar year thereafter, sixteen (16) working days' vacation.

C. During the calendar year and following the anniversary date in which they complete ten (10) years of continuance service and in each calendar year thereafter, twenty (20) working days' vacation.

D. During the calendar year and following the anniversary date in which they complete fifteen (15) years of continuous service, and in each calendar year thereafter, twenty-four (24) working days' vacation.

E. The provisions of this section shall be applicable

commencing with calendar year 1988.

F. Each member of the bargaining unit shall relinquish one (1) week of vacation time (four (4) working days/forty-eight (48) working hours) for the calendar year 1992. The relinquishing of vacation as set forth above shall be only for the calendar year 1992.

G. Commencing on July 1, 1991 each firefighter shall be allowed to carry over vacation time earned after July 1, 1991 but not used in the calendar year in which it is scheduled to be taken to a maximum accumulation of six (6) weeks (twenty-four (24) working days).

Section 2 - VACATION PERIOD

The vacation period in any calendar year shall run from January 1 to December 31.

Section 3 - VACATION REQUESTS

All vacation requests shall be submitted to the Chief of Department no later than November 1 of the year previous to the vacation choice.

The completed vacation schedule shall be posted at least two (2) weeks before the start of the calendar year in which the vacation is to be taken. A completed vacation list shall be posted prior to January 1 each year in all stations.

Section 4 - VACATION SCHEDULE FIREFIGHTING FORCE

A. A total of forty-four (44) firefighters, eleven (11) from each platoon shall be permitted to be on vacation in any vacation period. Vacations within each platoon shall be selected in the order of departmental seniority of firefighters within the platoon, provided, however, that officers in a platoon shall select their vacation before privates and according to departmental seniority in rank in the platoon; provided further, however, that one (1) rescue lieutenant from each platoon shall be permitted to be on vacation in addition to the forty-four (44) firefighters contained herein.

(1) Once a firefighter has selected a portion of his/her vacation, he/she shall not be eligible to select the balance of his/her vacation until all firefighters in the platoon have made their first selection.

(2) The vacation period of any firefighter in a platoon shall commence on the first working day or night in any calendar week that he/she is scheduled to work.

(3) Any firefighter on vacation for any day during a vacation period shall be counted as one of the firefighters on vacation for the entire period.

B. In the event that a firefighter was unable to take his/her vacation during the period in which he/she selected his/her vacation because he/she was on an "injured on duty" status, and he/she was unable to take his/her vacation during the remainder of

the calendar year, he/she will be permitted to accumulate his/her unused vacation in the next calendar year.

C. If, in the judgment of the Chief of the Department, the schedule reduces the personnel available below the level of safe operation, or in the event adequate personnel are not available, the Chief of the Department may vary either schedule accordingly.

Section 5 - VACATION SCHEDULES, SPECIAL SERVICES

Vacations for members of the special services division as defined in department regulations shall be chosen by rank on a seniority basis within each special service division. The number of men/women allowed on vacation at one time shall be subject to the operation requirements of the particular division in accordance with past practices.

Section 6 - SPECIAL VACATIONS

Special vacations approved by the Chief of the Department shall not reduce the number of regular vacations scheduled for the period in which the special vacation is taken. The special vacation shall be charged against the employee's vacation credits.

Section 7 - SPLIT VACATIONS

A. Any firefighter who is entitled to eight (8) days vacation shall have the option of splitting his/her vacation into two (2) four (4) day vacations.

B. Any firefighter who picks out a vacation between June 1

and September 30 may only take eight (8) consecutive working days vacation in that period.

C. Any firefighter entitled to more than eight (8) days vacation shall have the option of splitting his/her vacation.

The clothing maintenance allowance for members of the firefighting force shall be Five Hundred Ninety Dollars (\$590.00). The clothing maintenance allowance for all other

members of the Department who normally wear dress uniforms including chief's aides, shall be Six Hundred Twenty Dollars (\$620.00).

The City agrees to expend the sum of one hundred thousand (\$100,000.00) dollars each year during the period from October 31 through June 30 to achieve increased staffing on engine and ladder companies by adding a fourth (4th) man/woman to either engine or ladder companies, and the call-back, if any, for such additional personnel shall be charged to a separate call-back account. No charge shall be made to this account for all call-backs occasioned by multiple alarm fires or call-backs necessitated for reasons for other than minimum staffing; for example, pumping cellars, snow removal, etc.

In order to assist the City in providing funding for this new winter minimum staffing allocation, the Union agrees to reduce the salary for Firefighter Grade 3 and Firefighter Grade 2 as set forth in Article XII, Section 1 for the period from July 1, 1990 to June 30, 1992 and to forego the July 1, 1990 clothing issue as provided in Article VIII of this Agreement.

ARTICLE XIX

SUSPENSION

This City agrees that any member suspended for a violation of a departmental regulation shall be suspended with pay and shall be furnished a statement of charges within seven (7) days of said suspension. In addition, a department trial shall commence within twenty-one (21) days of the furnishing of said charges. Any member indicted by the grand jury for the commission of a felony shall be dealt with according to department rules and regulations.

ARTICLE XX

DISABILITY PENSION - MEDICAL SERVICES

The City agrees that it will pay any and all medical expenses incurred by any retired firefighter who has been placed on disability pension for medical services related to the injury or any recurrence of the injury which caused his/her disability and that it will reimburse such firefighter for the above expenses incurred, except that any amounts paid for medical expenses by any medical insurer will be subtracted from the amount which the City will pay. In no event shall the parties attempt to impose cutbacks which result in an abridgment or take away of benefits previously granted to members of Local 799 who are currently subject to this section.

ARTICLE XXI

DIVE RESCUE TEAM

Any member of the Department Dive Rescue Team who is incapacitated by reason of an injury received or sickness contracted as a result of engaging in any department directed Dive Team operation, training drills or other activity, shall be entitled to all of the benefits as set forth in Article X of this agreement. The City shall replace any dive equipment owned by a Dive Team member which is damaged during a department directed Dive Team activity.

ARTICLE XXII

MUTUAL AID

Whenever fire apparatus, excluding rescue apparatus, from another community is sent to the City for Mutual Aid and remains for one (1) hour, the Providence Fire Department shall call back three (3) off duty members to man such vehicles. Whenever fire apparatus, excluding rescue apparatus, leaves the City of Providence on Mutual Aid and remains out of the City for three (3) hours, three (3) members from the off duty platoon will be called back for each piece of equipment that leaves the City. These men/women will staff reserve equipment in the stations. In the event that no reserve is available, the men/women will be used to bring personnel back to original status. This policy shall not be in effect during the July 4th week.

A copy of the Mutual Aid Agreement will be provided to the Union. Only paid, full time permanent Departments shall be utilized for Mutual Aid, unless all off duty firefighters are called back and more personnel is required.

ARTICLE XXIII

CHILD OF FIREFIGHTER KILLED IN THE LINE OF DUTY

The Department will give preference for appointment to the Fire Department to the child of any firefighter who is killed, permanently disabled due to an injury in the line of duty or placed on accidental disability pension; provided said child meets all

physical and mental qualifications for appointment and passes any examinations required of applicants.

ARTICLE XXIV

PENSION ESCALATION

The City agrees to provide the following increased cost-of-living adjustment and the Union agrees to the following increased pension contribution subject to the parties successfully seeking proper legislative approval of the necessary modifications to the provisions of the City of Providence Retirement Act, (PL 1923, Chapter 489, as amended) as set forth in a Memorandum of Agreement between the Union and the City dated _____.

In lieu of the current three percent (3%) non-compounded cost-of-living adjustment, a four percent (4%) compounded cost-of-living adjustment for members of the Fire Department of the City who retire on or after July 1, 1990; and a five percent (5%) compounded cost-of-living adjustment for members of the Fire Department of the City who retire on or after July 1, 1991; and consistent with the consent decree cost-of-living adjustment for members of the Fire Department of the City who retire on or after July 1, 1994 and all who retire after January 1, 1989, six (6%) percent compounded.

Effective July 1, 1990 the percentage contribution required of members of the Fire Department of the City shall be increased by three-quarters of one percent ($3/4\%$); and effective July 1, 1991 an additional three-quarters of one percent ($3/4\%$).

The Union agrees that the increased pension contribution as set forth above shall also apply to the June 30, 1990, longevity supplement provided in Article XII, Section 3 of this agreement.

The City agrees that any member who retires on or after May 15, 1990 shall receive these benefits as if they had retired on July 1, 1990.

The City agrees that should the annual cost estimate for the above Pension Act modifications is less than the cost as determined by the Pension System Actuary on an annual basis (\$535,000.00), the City shall allocate the difference to the winter minimum staffing allocation as set forth in Article XVIII of this Agreement.

The City agrees to request a revised estimate of the cost of this escalation from the Pension System Actuary each January, said estimate to be provided to Local 799 upon receipt. The Union shall have the right to seek independent verification of the Actuary's estimates and final annual cost breakdown.

ARTICLE XXV

CO-OPERATION

The Union agrees that it will cooperate with the City in order to achieve maximum utilization of the members of the bargaining unit. To this end, the Union agrees that it will take all appropriate steps to discourage the abuse of sick leave or leave for injury on duty or other leaves under this Collective Bargaining Agreement and agrees that it will take affirmative steps to inform its membership of the impropriety of such abuse and possible

disciplinary action taken against members of the Bargaining Unit who may be found guilty of such abuses.

ARTICLE XXVI

PRE-PAID LEGAL SERVICES

The City agrees to assume the full cost for coverage on a Pre-paid Legal Services Corporation of Rhode Island underwritten by Midwest Mutual Insurance Company which is supported by the Rhode Island Bar Association. The City shall assume the cost of the premium for coverage under the Basic Midwest Policy for single members and the cost of the Family Plan Coverage for married members.

The City shall also contribute to a supplemental legal services fund established by the Union to augment the above referenced legal coverage at a cost of Seventy-Five Thousand (\$75,000.00) Dollars per year for each fiscal year of this contract. Said funds shall be payable within twenty (20) days of the signing of this Agreement. The Union agrees that the above referenced legal service coverage shall not be used by a member who may become involved in a legal dispute with the City. In order to provide the funds to pay for the benefit, the Union agrees to permanently forego the July 1 issuance of shoes to each member of the Department as previously provided in Article VIII of this agreement.

ARTICLE XXVII

COMPLETE UNDERSTANDING

This Agreement constitutes the entire agreement and complete understanding between the City and the Union arrived at as the result of collective bargaining, except such amendments hereto or modifications hereof as shall be reduced to writing and executed by the parties following the execution of this agreement.

ARTICLE XXVIII

UNION PARITY

Excepting any across-the-board percentage increase which the City of Providence is ordered to pay pursuant to binding statutory/compulsory contract-arbitration, should the City of Providence voluntarily award any across-the-board percentage wage increases to any other bargaining unit with whom the City has a Collective Bargaining Agreement, and said across-the-board Bargaining Unit increase is for the period of July 1, 1992, through June 30, 1993, then the members of Local Union 799 covered by this Agreement shall be entitled to receive the same across-the-board percentage increase for the same period of time.

In reference to any across-the-board percentage increases which the City of Providence is ordered to pay pursuant to that binding statutory/compulsory arbitration referred to in the preceding paragraph, said across-the-board percentage increase

shall, for calculation purposes only, be included as base pay monies in calculating the 4.5% wage increase effective for the period of July 1, 1993 through June 30, 1994. This shall be done for the sole purpose of computing wage increases due July 1, 1993, and for no other purpose. For example: If said arbitrator issues an award ordering the City to pay an across-the-board percentage wage increase of 5%, a \$10,000 salaried employee represented by Local Union 799 shall have a base, for 4.5% calculation purposes, of \$10,500. Said employee therefore would be entitled to a July 1, 1993 annual compensation of \$10,472.50 (i.e. $\$10,000 \times 5\% = \$500 + 10,000 = \$10,500$; $\$10,500 \times 4.5\% = \472.50 ; $\$10,000 + \$472.50 = \$10,472.50$).

If the City of Providence is ordered, for the contract year July 1, 1992 to June 30, 1993, to pay, pursuant to binding statutory/compulsory arbitration, an across-the-board percentage increase to more than one bargaining unit with whom the City has a Collective Bargaining Agreement, then Local Union 799 shall be entitled to utilize the higher/highest of the across-the-board percentage increase awards in accordance with the above-referred formula.

ARTICLE XXIX

DURATION

This Agreement shall be for the term beginning July 1, 1992 and ending June 30, 1995.

IN WITNESS WHEREOF, the said City of Providence has caused this instrument to be executed and its corporate seal to be affixed

thereto by Vincent A. Cianci, Jr., its Mayor, hereunto duly authorized, and said Local 799, International Association of Firefighters, AFL-CIO, has caused this instrument to be signed by Stephen T. Day, its President, thereunto duly authorized on the _____ or date first above written.

PROVIDENCE, R. I.

FINANCIAL CHANGES IN FIRE CONTRACT

1. Article IX, Section 2H limits personal days regarding certain holiday periods. This will result in some call back savings.

2. Article XII, Section 1 stipulates that effective July 1, 1993, all uniformed members of the Fire Department shall receive a four and one-half per cent (4.5%) wage increase. Effective July 1, 1994, all uniformed members shall receive a five per cent (5) wage increase.

FY 1993	-0-
FY 1994	\$ 900,000.00
FY 1995	1,045,000.00

3. Article XII, Section 1 creates the position of Fire Prevention/Arson Captain at \$66.88 per week higher than a regular Captain.

FY 1993	\$ 3,477.00
FY 1994	3,634.00
FY 1994	3,816.00

4. Article XII, Section 1 now limits the number of EMT's to thirty (30) per year. This will save in training cost of approximately \$700.00 per individual, as there have been more than 30 EMT's in past years.

5. Article XIII, Section 1A agrees that Local 799 will study managed care. If implemented, the savings would be as follows:

FY 1993	-0-
FY 1994	\$ (55,000.00-60,000.00)
FY 1995	(55,000.00-60,000.00)

6. Article XVIII appears to be in error, The minimum manning provision shall remain at (98) with no increase in staffing.

7. Article XXIV - the pension escalation of going from a 3% non-compounded c.o.l.a. to a 5% compounded c.o.l.a. has the following impact:

FY 1993	-0-
FY 1994	\$ 700,000.00
FY 1995	700,000.00

8. Article XXVIII provides a parity clause which would come into play in the event a binding arbitration award is made to another union. For each 1% pay increase granted to Police, the financial impact is as follows:

FY 1993	-0-
FY 1994	\$ 9,000.00
FY 1995	10,000.00
