## PERSONAL EXPRESSION

**COUNCILWOMAN YOUNG requests the Privilege of the Floor to Speak on a Point of Personal Expression and States:**

"Mr. President, this week there was an incident at the Strand, a place where you can have concerts and bands, and there was a videotaping clearly showing a case of Police Brutality and I want to be on record as commending Colonel Gannon for taking the appropriate steps in suspending the Officer involved in this incident which showed the officer on tape kicking someone while he was down on the ground. I don't always agree with Colonel Gannon, I want you to know that, but in this incident he indeed took the best course of action to suspend this officer and to also conduct a full investigation as to what happened in this absolute, inhumane treatment to another human being.

We are in the year 1995 and in some areas of this City, this City is still in the Dark Ages. This community cannot and will not tolerate another

person, usually a person of color, an ethnic minority and others, to be harrassed, threatened, or physically abused by some members of the Providence Police Department who are charged with protecting the Community.

At times it seems, we need protection from some of them. You look at the numbers and Providence has one of the highest rates of Police Brutality and we should be embarrassed about it and very little is being done about it.

Everyday I hear stories from my constituents, particularly from young Afro-Americans where they are stopped, embarrassed and humiliated by the Police for no reason whatsoever. It must end.

We need to support Colonel Gannon for what he did, for taking such a courageous stand and I understand the City Administration, Mayor Cianci is also supporting Colonel Gannon's decision and that is indeed good news. I am glad to see that the initiative is being taken. However,

we have to prevent this type of criminal activity from happening by demanding that a Police Officer who betrays the Public Trust is no longer protected by the Policemen's Bill of Rights but is subjected to criminal charges and is subject to the same Laws that you and I would be subject to if we were found guilty of kicking someone in the same manner.

In addition, I think the FOP needs to express that and to stop making ridiculous excuses for some of their members who are actually out of control. Instead, they should hold them accountable for their cowardly actions against helpless individuals. They should also begin to weed out these bad seeds that cast a cloud over the entire Police Department and this type of behavior is not to be tolerated. Thank you very much."

---

**COUNCILWOMAN NOLAN requests the**

**Privilege of the Floor to Speak on a Point of Personal Expression and States:**

"Mr. President, Once I was in Colonel Gannon's office on a similar matter concerning some brutality against some young Black men and I knew it would be a matter of time before someone was smart enough to have a video camera and take a picture of the whole thing. I do hope though, that what we saw the other night was not true and I warned the Colonel at that time that he should weed out that small minority of Police Officers who are risks and are out of control and that he should take these young guys coming out of class and be reminded of proper behavior.

I represent a large minority community and these things happen everyday and go unreported to young Blacks and young Hispanics and I stand behind Colonel Gannon and I hope that this issue will make some of the others think before they do something and possibly hurt someone else. Thank you."
