Dear Phil,

I would like to ask your help in changing the name of a street which is in the Third Ward of Providence.

It is the very short street running between South Main Street and Canal Street, currently called Lonsdale Street. There are no buildings entering on this street at this time. The law firm of which I am a member is planning to lease office space in the building which houses the Fain Carpet Store on South Main Street, and a new entrance to that building will be made on Lonsdale Street.

We would like to change the name of that street to Park Row because we believe that it will enhance the entire area. As you know, the street borders on the large tract of U.S. Government park land adjacent to the Roger Williams Spring Park.

I understand that you would have to introduce a resolution to this effect, and that it would go to the committee on naming. I had spoken to Rose Mendonca, and she will be happy to draft the resolution at your request.

I appreciate your help, and will be happy to talk with you on specifics.

I guess this will turn out to be an interesting political year. Never know what happens around here.

Best wishes to you, and I hope to see you soon.

Sincerely,

Vicky
