City Hall

Dear Council President Easton:

It has been brought to my attention that, as chairman of the Providence Redevelopment Agency, I should disclose to your council body the companies in which I am involved that might do business with the City of Providence. They are as follows:

International Supply Company  
215 Niantic Avenue  
Cranston, Rhode Island 02907

Niantic Rubber Company  
215 Niantic Avenue  
Cranston, Rhode Island 02907

The Chisholm Corporation  
215 Niantic Avenue  
Cranston, Rhode Island 02907

D. L. Thurrott Company  
One Kenwood Street

I would like a letter confirming that the above is sufficient information so that there will be no questions regarding our corporate group being qualified suppliers of goods and services to the City of Providence.

Sincerely,
