From: Major Stephen M. Maroney, Department Inspector

Subject: Resolution # 507, City Council, October 9, 1973

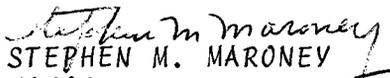

Sir:

Please be advised that for the past several years the Providence Police Department through its Community Relations Bureau, Public Relations Bureau and also by using other officers from the department has established a Speakers Bureau by encouraging speaking engagements before Civic and other groups to relate police activities. We have also had members of this speaking bureau talk with the students of Hope, Mt. Pleasant, Classical, Cental High Schools and LaSalle Academy to present to them the problems and pleasures of serving the public.

In the last few months a new program has been implemented known as the "Officer Friendly Program". Ptlm. Steven Cross has been named "Officer Friendly" representing the Providence Police Department. Ptlm. Cross visits and talks to the children in the elementary schools in Providence. This program is supported financially by the Sears-Roebuck Foundation and the City of Providence.

I will communicate with Dr. Charles Bernardo, Supt. of the Providence Public Schools, City of Providence regarding the Resolution # 506, City Council, approved October 9, 1973 to see if a program may be established within the school department by members of the Police Department to speak before the student bodies and various assemblies of clubs and organized groups to convey methods of crime prevention for reducing crime in the community.

Respectfully submitted,

STEPHEN M. MARONEY
