I, Carmine A. Bucci, the present Chairman of the Board of Park Commissioners herewith convey the following statement of the previous Board Members:

The Board of Park Commissioners wishes to make the Honorable Mayor Vincent A. Cianci, Jr., and the Providence City Council aware of pertinent information concerning the termination of burials at the North Burial Ground Cemetery by the year 2012. This information is based on the North Burial Ground study which was prepared by Land/R.I.S.D., September, 1976. The Board also recommended that the City consider securing in the future more land for the continuance of burials, otherwise the Cemetery will eventually become a preservation site.

When this Survey Study was completed the previous Board requested that I as the North Burial Ground consultant also conduct a survey for comparison. I disagree with the termination date stated above and I project the Cemetery will be completely occupied by the year 2045.
