Providence, Rhode Island 02906

Telephone: (401) 421-9682

Personal: Born: September 1, 1936, Saugus, Massachusetts:
Married: Patricia Roberge-McWilliams and have four daughters.
Three presently in the Providence School System. Two at
Classical High School and one at Hope High School. Eldest
daughter a freshman at Trinity College, Washington, D.C.
Have resided in the City of Providence for thirty four (34)
years.

Education: Hope High School
East Providence High School

Occupation Territory Manager, Hennessy Division of Chicago Pneumatic
Tool Company.

Responsibilities: Development and coordination of sales and service activities,
management of all sales, preparation of sales and expense
budgets for Rhode Island, Maine, New Hampshire and greater
Boston area.

Experience:

1981-1985	Chairman	Providence School Board
	Active Member	Board of Directors—Providence Center.
	Active Member	Board of Directors—Rhode Island Association of School Committees.
	Active Member	Board of Directors—Mount Hope Neighborhood Association.
	Active Member	Board of Directors—Providence Education Fund.
	Active Member	Board of Contract and Supply.

Volunteer Experience:

1977-1981	President	Providence Council of P.T.A.
	Member	Executive Committee Rhode Island Congress of P.T.A.
	Member	Board of Mangers Rhode Island Congress of of P.T.A.

	Member	Board of Directors, Providence Mental Health Center.

the budget and also the personnel involved. When budget cuts are made, they are made with a working knowledge of all areas where specific cuts can be made. The board monitors, on a monthly basis, all expenditures to date and works to keep each expenditure in line with the budget. The school board has retained a surplus each year for the last four (4) years. Approximately \$1,660,000. Presently the budget sub-committee is working toward zero based budgeting.

Sub-Committees: Each board member has been assigned to a sub-committee such as budget and finance, building and grounds, labor negotiations, personnel, school dropouts, curriculum and legislation.

Labor Negotiations: Working with the sub-committee, the Superintendent of Schools and members of the city administrative staff, the school board has been successful in labor settlement. Throughout the process all management prerogatives have been maintained.

Discipline: The board has strengthened the discipline policy in the system taking a no-nonsense approach. Violators of the discipline policy are dealt with fairly, with due process, and harshly. The discipline policy has been amended twice in the last four years.

Educational Needs: Population in schools has increased substantially in the last four years. The special needs population has also increased. Both increases are costly and require various educational programs. The school department has the ability to adjust quickly, and has adjusted to handle the increasing and shifting population. Bi-lingual and special education programs in Providence are the most successful in the North East. As the population grows, space requirements also grow. At present space is a problem. The school department is presently adding an addition to the Asa Messer School, renovations are being done to the Althea Street School, and within the next year work should start on renovating Veazie Street School. Some of these buildings were closed and by reopening them, at a cost much less than new buildings, will ease the space problem that currently exist. A long range plan exists for future space problems as they occur.

Mayor Paolino:

I would like to submit a formal application for being retained as a member of the Providence School Board commencing in January, 1986. During my four years I feel I have served the City of Providence and the Providence School System to the very highest degree. I have been an active member of every negotiating team since my first appointment to the Board. Currently I am serving as a member of the budget sub-committee with Mr. Bruce Sundlun as chairman and as a member of the Brown University - Hope High School Essential Schools Program with Dr. Ted Sizer and Ms. Paula Evans. My attendance record with the School Board has been excellent as has my attendance at the Board of Contract and Supply. I have served on the committee on job sharing with the teachers union and as a liaison member for the Nathan Bishop - School Board Parent Group.

I have continued to represent Providence as: a member of the Executive Board of the Rhode Island Association of School Committees; co-chairman of Girls Athletics for the Rhode Island Interscholastic League; member of the Executive Board for the Rhode Island Interscholastic League; topic presenter at two National School Board Association Conventions; attendance at four National Association of Secondary School Principal Conventions; membership on the ad-hoc committee on Learning Disabilities formed by the Commissioner of Education; and many other meetings throughout the state and New England area.

The task of being a member of the Providence School Board has been a challenging one. Your selections to the Board have met the challenge unlike any other school board in the state. They are devoted to the belief that their

sole purpose is to make Providence the best school system possible. I am dedicated to that same end. I would like the opportunity to serve you, your goals for the City of Providence, the vision you have toward the education of our children. I want to continue to represent Providence and its schools in the best possible light in the State of Rhode Island and nationally. I will guarantee you that I will contribute all of my efforts to making you and the schools in Providence excel in every regard.

Please feel free to contact me at 683-2124 or 351-7213 should you desire a conference or need additional information.

Sincerely;

Robert A. DeRobbio
