SUBJECT: Referral No. 1045 - ABANDONMENT OF A TRIANGULAR PORTION OF
WESTCOTT AVENUE

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, October 14, 1958.

This referral is a request for the abandonment of a triangular portion of Westcott Avenue.

On the field trip it was found that the triangular portion of this street is not paved.

Due to the nature of the street line it is unlikely that this triangular portion of the street will be paved, and the abandonment of this street does not conflict with any present or contemplated City plans. Therefore,

The Commission

VOTED: To offer no objection to the abandonment of this triangular portion of Westcott Avenue.

Very truly yours,

RESOLUTION OF THE CITY COUNCIL

No. 203

Approved March 6, 1959

Whereas, Almighty God in His Divine Wisdom and Infinite Judgment did take unto himself the soul of William A. Borreca who, in the span of his fifty-four years had established himself as a Christian gentleman devoted to his Church, his Country, and the political party of his choice, thus leaving a record of services devotedly rendered, and

Whereas, in the demise of "Bill" Borecca, his host of friends in lamenting his passing have fond memories of a genial member of the community who in all his activities endeared himself to his associates,

Now, Therefore, Be It Resolved, that in noting the passing of William A. Borreca, His Honor Mayor Walter H. Reynolds and the Members of this City Council express their deepest sympathy to his devoted wife Jennie, his mother Marianna and his sisters and brother who survive him.
