Gentlemen:

RE: PROPOSED CONVEYANCE TO FRED DE CESARIS

With reference to your request for the drafting of a resolution authorizing conveyance of land to the above-named, I direct your attention to the memo sent by this office on August 4, 1966. The state law requires that the land be offered to the prior owners at the price set forth in the resolution.

It has come to the attention of this office that Mr. DeCesaris may have purchased options from the former owners. If this is so, this office would like to have this fact documented by deed book references or otherwise. Our opinion may be different with this new fact.

Enclosed you will find the proposed resolution.

Very truly yours
