Resolution Establishing an Amnesty Program for the Providence Municipal Court.

**WHEREAS**, The COVID-19 Pandemic has inflicted substantial economic harm on many Providence residents; and

**WHEREAS**, With the implementation of additional restrictions to stop the spread of COVID-19, as well as continued uncertainty around future Federal stimulus efforts, many more Rhode Islanders will begin to feel the strain on their personal finances in the coming weeks and months; and

**WHEREAS**, The Providence Municipal Court has the authority to waive certain fines and penalties imposed on many of the violations that are handled by the Court; and

**WHEREAS**, While many tickets handled by the Municipal Court are for violations of City ordinances, there are certain violations that are beyond the authority of the Providence City Council including tickets from red-light cameras and school zone cameras which are enforced pursuant to state law; and

**WHEREAS**, The Providence City Council is committed to helping Providence residents through these trying times by exercising its authority wherever possible to alleviate the burdens facing the City's most vulnerable.

**NOW, THEREFORE, BE IT RESOLVED**, That the City Council of the City of Providence, in collaboration with the Providence Municipal Court and the Mayor's Administration, hereby establishes an amnesty program for the Providence Municipal Court wherein all penalties and fees imposed on tickets for non-moving violations shall be waived provided that payment for the underlying ticket is received on or before January 31, 2020.

**BE IT FURTHER RESOLVED**, That the above described amnesty program does not impact environmental fines that are already in collections, previously issued court judgments, or the Municipal Courts ability to collect the required \$35 processing fee.

**BE IT FURTHER RESOLVED**, That, upon passage, copies of this resolution will be sent to the Mayor of Providence and the Chief Judge of the Providence Municipal Court.

Resolution Regarding Food Insecurity in Rhode Island.

**WHEREAS**, On November 23, 2020, the Rhode Island Community Food Bank released its annual Status Report on Hunger which has highlighted the significant hardship many Rhode Islanders are facing as a result of the COVID-19 pandemic; and

**WHEREAS**, The status report found that one in four Rhode Island households lacks adequate food, the highest percentage in over two decades, and that the levels of food insecurity are highest in Black and Latino Communities, the same communities that are also experiencing disproportionately high levels of COVID-19 cases; and

**WHEREAS**, In order to meet the increased demand for food assistance, the Community Food Bank has increased its food distribution by 1.6 million pounds which is a 45% increase from before the pandemic; and

**WHEREAS**, The Providence City Council recognized the growing challenge of food insecurity early on in the pandemic and immediately developed a comprehensive outreach and on-going food distribution strategy prioritizing the areas where the most affected communities reside; and, which has been made possible due to the establishment of a thoughtful and critical partnership with the Elisha Project; and

**WHEREAS**, The Elisha Project is a movement that is focused on bringing diverse communities together through service, sharing, teaching and learning - with the mission of addressing food insecurity and operating by the motto "There is Always Enough to Share"; and

**WHEREAS**, Through the partnership with the Elisha Project, the Providence City Council hosted twenty-four (24) events across the City, serving as a model of distribution by allowing our most vulnerable City residents to access approximately eight hundred sixteen thousand (816K) pounds of nutritious meals, equivalent to six hundred eighty thousand (680K) meals; and

**WHEREAS**, Despite the incredible efforts of the Rhode Island Community Food Bank, Elisha Project, and countless other non-profit organizations, without immediate action by the Federal Government many of the most critical food assistance programs will be in jeopardy of running out of money and therefore unable to continue to provide the necessary aid to so many of Rhode Island's most vulnerable residents.

**NOW, THEREFORE, BE IT RESOLVED**, That the Providence City Council hereby urges Rhode Island's congressional delegation to:

1. Pass another COVID-19 relief bill that brings back supplemental unemployment compensation and boosts SNAP benefits throughout the pandemic; and
2. Work with the USDA to provide P-EBT for all children from low-income families when schools are closed.

**BE IT FURTHER RESOLVED**, That the Providence City Council urges the Rhode Island Department of Human Services to implement a comprehensive SNAP outreach program to help newly unemployed Rhode Islanders enroll.

**BE IT FURTHER RESOLVED**, That the Providence City Council urges all members of the Rhode Island General Assembly to support the Governor's call for increased funding for the Food Bank.

**BE IT FURTHER RESOLVED**, That, upon passage, copies of this resolution be sent to each member of Rhode Island's congressional delegation, the Honorable Governor of the State of Rhode Island, the Director of the Department of Human Services, and to the members of the Providence delegation.
