Dear Ms. Stetson:

I am writing in response to your letter dated December 27, 2005 regarding the petition to the City Council requesting the name change of Shaffer Street from Jewett Street to Smith Street, to be re-named Fran Conway Place. Presently there are no properties listed on this street and there are no similar street names in this zip code area, therefore, we do not foresee any problems with the street name change.

As discussed, it would be extremely helpful when sending these proposals if your office could let us know if there are properties involved in their name changes or if it is a dedicatory issue.

Thank you for bringing your pending proposal to our attention and affording the U.S. Postal Service the opportunity to provide you with input.

Sincerely,

Dear Ms. Stetson:

I am writing in response to your letter dated December 27, 2005 regarding the petition to the City Council requesting the name change of Brownell Street from Holden Street to Interstate Route 95 to be re-named Avenue of the Arts.

There has been much confusion with this street dating back to 2004 when the City discussed this name. When our Address Management office contacted the City Clerks office we were led to believe that all of Brownell Street would be re-named Avenue of the Arts so we changed our database to reflect this update. Subsequently, construction in zip code area 02903 led us to research this area. In November 2005 we were told by the Engineering Department in Providence that the "Avenue of the Arts" only applied to the area that ran from Francis St to Park St. in the 02903 side of Brownell Street. Given this information we changed the 02908 side back to Brownell Street.

There are 3 properties on Brownell Street that will be affected should the committee chose to change it back to "Avenue of the Arts". However, there are no like street names in the 02908 zip code area that will cause conflict if you chose to approve the change.

Thank you for bringing your pending proposal to our attention and affording the U.S. Postal Service the opportunity to provide you with input.

Sincerely,
