City Hall
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department respectfully requests that you place on the "docket" the following resolution:

That Clifford Street shall be established as a one way street in a westerly direction from Dorrance Street to Richmond Street.

Due to the increase in traffic congestion since the opening of the new Family Court Complex, we feel that it would be in the best interest of public safety to establish Clifford Street as a one way street.

Very truly yours,

Frank A. Tibaldi
