The Honorable Andrew J. Annaldo  
Chairman  
City Property Committee  
Office of the City Clerk  
City Hall  
Providence, Rhode Island 02903

Dear Councilman Annaldo:

In the Summer of 1988, the Department of Public Parks began construction work to renovate the Laurel Hill Playground which was then under the jurisdiction of the Parks Department.

As construction work was proceeding on the project, inquiries were made by the Providence Housing Authority as to the availability of this parcel of land for use as proposed housing for the homeless.

The Board of Park Commissioners, at their meeting of October 4, 1988, voted to transfer ownership of the Laurel Hill Playground to the Providence Housing Authority for this specific use. Also included in this transfer was the understanding that the tot-lot area be left accessible for use by the neighborhood children.

Please accept our apologies for not informing the City Properties Committee of this transfer to another city agency. It was our understanding that only City of Providence property being sold or leased need the approval of your committee.

Sincerely yours,
