The Honorable City Council
Committee on Public Works
City Hall Providence
Providence, Rhode Island

RE: Resolution No. 322
Dated 4/26/75

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause the installation of "STOP" signs along Hillhurst Avenue at Laurel Hill Avenue.

Disposition: Our traffic survey showed a very small amount of traffic crossing Laurel Hill Avenue at this point. In addition, this intersection has an excellent accident history. We feel that no controls are warranted at this time.

Very truly yours,

Frank A. Tibaldi
Traffic Engineer
