Re: West Exchange Center Realty Trust

Dear Mr. Lombardi:

This office represents West Exchange Center Realty Trust who have acquired the premises known as "The Grinnell Complex" located at 260 West Exchange Street, 13th Ward, in the City of Providence.

We are attempting to obtain a new, more prestigious address for the Complex and suggest One West Exchange Center, and I would appreciate your sponsoring a Resolution for the confirmation of this new address.

I have spoken to the Postal Department who would have no objection to the change if approved by the City of Providence.

I would be pleased to submit to you any other information that you deem necessary for an appropriate Resolution being presented to the City Council.

On behalf of West Exchange Center Realty Trust, Steven A. DiSarro, Trustee, we thank you in advance for your kind attention in this matter.

Very truly yours,

JOHN A. VARONE

Chairwoman, Urban Redevelopment  
Renewal and Planning Committee  
Providence City Hall  
25 Dorrance Street  
Providence RI 02903-1789

Dear Councilwoman DiRuzzo:

In reference to the proposed resolutions changing 260 West Exchange Street to One West Exchange Center and 25 Steeple Street to One Citizens Plaza, I believe that these types of changes may tend to compromise the numbering system the City of Providence now maintains.

Presently, there are approximately 16 buildings in the downtown area that have been given out-of-sequence or unique addresses. Attached is a list of those locations. If we (jointly) allow this practice, an erratic address system in the City of Providence could occur which might result in chaotic conditions not only for the Postal Service, but for the City's Police and Fire Departments as well as others attempting to locate these addresses. I suggest your committee take these issues into consideration and review this resolution. Our recommendation is to retain the present address sequence.

I would like to express my appreciation for your notifying the Postal Service of the proposed resolutions for the city, and I hope our input is of assistance to you and the City Council in making a decision. If it would be beneficial, we would be more than willing to sit down to discuss this or any other address issues with you or members of your committee.

Very truly yours,

  
Wallace Kido
