Post Office Box 1842

August 20, 1997

Mr. Robert Clarkin, First Ward Councilperson
Providence City Hall/City Council
Providence, RI 02903

Dear Mr. Clarkin:

The Freshman Orientation Program and the return of undergraduate students at Brown University begins on Tuesday, August 26, 1997 and ends with the Opening Convocation on Tuesday, September 2, 1997 the first day of classes.

August 26/27, 1997

With the majority of students arriving on August 26 & 27, I am requesting approval for the following traffic patterns and postings on those dates to deal with congestion around the University area:

Wriston/Keeney Quad Areas:

1. George Street one-way east from Brown Street to Thayer Street
2. Charlesfield Street one-way west from Thayer to Brown Street
3. Benevolent Street one-way east from Magee to Brown Street
4. Brown Street one-way north from Charlesfield to George Street
5. Post and enforce "NO PARKING/EMERGENCY TOW ZONE" on the west side of Magee Street from George to Benevolent St.

Pembroke Area:

1. Post and enforce "NO PARKING/EMERGENCY TOW ZONE" on the south side of Bowen Street from Thayer to Brown Street.

This traffic pattern should be established by 0600 on Tuesday, August 26 and end by 1800 on Wednesday, August 27, 1997. We will have a Providence Police detail at the following control points, in addition to our Brown University officers from 0700-1800 on these two dates:

1. One (1) PPD officer at Brown & George Streets
2. One (1) PPD officer at George & Thayer Streets
3. One (1) PPD officer at Benevolent & Brown Streets
4. One (1) PPD officer at Charlesfield and Brown Streets

Additionally, I would request that parking restrictions/tagging be lifted on most streets adjacent to the campus during this two day period.

September 2, 1997

On Tuesday, September 2, the Opening Convocation will be held. In order to facilitate the safe movement of students on College Street from Benefit Street east through the Van Wickle Gates onto the College Green, I am requesting permission to block off vehicular traffic to the following streets between 1045-1145 with police officers from this department working control points to handle traffic:

1. College Street from Benefit east to the VanWickle Gates at Prospect Street
2. Prospect Street from Waterman to George Street.

Thank you for your assistance in this matter. If there are questions, please contact me at 863-3870.

Sincerely,
