Dear Sirs:

The petition of Mrs. E. Donaldson Clapp, requesting permission to repair wooden stairs at the above residence, is hereby acknowledged.

Please be advised that this Department offers no objection to the replacing, restoring or rebuilding of stairs which have been deteriorated and are in a hazardous condition, although they may be on the sidewalk. Many buildings in this area are on property line and steps cannot be placed anywhere else but the sidewalk.

Plans must be submitted to this office so that we may issue a permit and supervise the work. If the steps are not enlarged, we offer no objection.

Very truly yours,

AGREEMENT

In this Agreement entered into this 1st day of September, 1965, by and between the City of Providence, hereinafter referred to as the City, and the American Federation of State, County and Municipal Employees, AFL-CIO, Local 278, hereinafter referred to as the Union, the parties hereby agree as follows:

The Agreement signed in December, 1964, shall remain in effect until September 30, 1965. The new Agreement reached shall go into effect October 1, 1965:

PURPOSE

It is the purpose of this Agreement to carry out the personnel policy of the City of Providence in encouraging a harmonious and cooperative relationship between the City and its employees, by providing for procedures which will facilitate free and frequent communications between the City and the employees of the City of Providence.

By means of the Agreement, therefore, the signatories hereto bind themselves to maintain and improve the present standards of service to the people of the City of Providence, and agree further that high morale and good personnel relations are essential to carry out this end. The city employees, as individual members of the Union, are to regard themselves as City Servants, and as such, they are to be governed by the highest ideals of honor, loyalty and integrity in all their public, personal and official relationships in order that they may merit the respect and confidence of the general public, the city council and the mayor.

ARTICLE I RECOGNITION

The City hereby recognizes the American Federation of State, County and Municipal Employees, AFL-CIO, Local 278, as the sole and exclusive bargaining agent for members of its Union employed by the City. The City recognizes the Union as the bargaining agent with respect to matters of compensation for those employees of Police and Fire Departments who are members of the Union and who are not covered by the provisions of Chapter 149, Public Laws of R. I., 1961 or Chapter 54, Public Laws of R. I., 1963.

The City agrees that it will not discriminate against, intimidate or coerce any employee in the exercise of his right to bargain collectively through the Union or on account of his membership in or legitimate activities on behalf of the Union.

The City Controller shall deduct Union dues monthly from the wages of those employees who have authorized the city to do so in writing. The City Controller shall forward promptly to the Treasurer of the Union, a check representing the amounts so deducted. In the event that any employee notifies the City Controller, in writing, that no further deductions for dues shall be made from his wages, such deductions shall terminate immediately.

ARTICLE II SENIORITY

The City shall establish a seniority list and it shall be brought up to date semi-annually and the same shall be made available to the Secretary of the Union by the Personnel Director.

The City agrees in principle with the concept of seniority and further agrees that this principle and ability should be applied unless there are clear reasons for the contrary in individual instances, with respect to:

- a. Promotional Appointments
- b. Preferred Shift Vacancies
- c. Any other questions of preference among employees that may arise but are not specifically mentioned hereinabove.

In the event of a vacancy in any position, said vacancy shall be posted on a union bulletin board in order that employees of that department have an opportunity to apply for that position. After a reasonable amount of time, if the employee does not satisfactorily qualify for that position, the employee shall be placed in the last position he held before being promoted. } new
O.K.

In the event a permanent employee is laid off, his name shall be placed on a re-employment list by class of position and by division and shall remain on said list for a period of fourteen (14) months from the date of such layoff. Seniority shall accrue to such employee while on the re-employment list. No new employee will be hired and no employee will be transferred into any class of position within a division until all employees on such re-employment list for that class and division have been recalled to work. Upon recall and pending the return to work of the recalled employee, the appointing authority may transfer another employee to the vacant position.

All employees designated by the City Compensation and Classification Plans as permanent employees shall be considered permanent employees for the purposes of this Agreement.

The Personnel Director, for the purposes of recall, shall send a registered letter to the last known address of the employee, unless actual personal contact can otherwise be made by the director, and the employee shall have five (5) days from the date of the sender's receipt, or the personal contact, to reply to such recall.

If a recall to work does not reasonably assure the employee of four (4) weeks of continuous work, a failure to accept will not be considered a refusal. Upon return to work, a recalled employee shall receive that salary which applies to the position to which he returns.

Seniority shall be considered broken for the following reasons:

- a. When an employee has been discharged for just cause;
- b. When an employee voluntarily terminates his employment;
- c. When an employee fails to respond to a recall notice;
- d. When an employee fails to report his absence from work within five working days;
- e. When an employee fails to renew a leave of absence;
- f. When an employee is laid off in excess of fourteen (14) months from the date of his most recent layoff.

Should a grievance arise over the application of this Article by an Appointing Authority of the City, it shall be considered a grievance under the terms of this Agreement and the uses of grievance procedure shall be applicable.

ARTICLE III GRIEVANCE PROCEDURE

The purpose of the grievance procedure shall be to settle employee grievances including problems concerning working conditions on as low a level as possible and as quickly as possible to insure efficiency and employee morale. This procedure also recognizes the right of any employee to discuss with his immediate supervisor and his Union Representative any grievances or suggestions relative to his work.

By means of this procedure, therefore both the Union and the City agree to maintain and improve the present high standards of service to the people of the City of Providence.

An employee who has a grievance must submit the grievance in writing to the Union within ten days or it shall not be considered a grievance under the terms of the Agreement.

- Step 1. An employee who is aggrieved has the right to discuss his grievance with his supervisor and with or without his chosen union representative. His supervisor shall have three days to submit his answer in writing to the aggrieved person and a copy of that answer shall be submitted to the union.
- Step 2. In the event the grievance is not resolved with his immediate supervisor, the aggrieved and/or his chosen Union Representative shall submit his grievance in writing to the Division Chief. The Division Chief shall have two working days in which to give his answer also in writing to the Union.
- Step 3. In the event the grievance is not satisfactorily resolved with the Division Chief, the aggrieved and/or his representative shall submit a grievance form in duplicate to the Director of Personnel. The Director of Personnel shall have five (5) working days in which to give his answer in writing to the Union.
- Step 4. If the grievance is not satisfactorily resolved with the Director of Personnel, the aggrieved and/or his representative shall meet with the Mayor. The Mayor shall have ten calendar days in which to give his answer in writing to the Union.
- Step 5. Arbitration: If the grievance is not satisfactorily resolved with the mayor, the grievance shall then be submitted to arbitration within ten days after receiving the mayor's decision. If the decision of the mayor is not acceptable to Local 278, AFSCME, AFL-CIO, the grievance shall be submitted to arbitration. The mayor shall designate a person of his choice. The Union shall designate a person of their choice. A third disinterested party shall be agreed upon by the union and the mayor of the City of Providence. The decision handed down by the arbitration panel shall be submitted to the union and the city, and their decision shall be advisory. Under the terms of the Agreement, only grievances arising out of the provisions of this Agreement shall be submitted to arbitration.

Union stewards and officers shall be granted sufficient time off during working hours to investigate and seek to settle grievances, without loss of pay.

Aggrieved union employees shall be guaranteed the right to union representation during the course of the grievance procedure. It is recognized that no procedure can possibly foresee all situations that might occur.
