SUBJECT: Referral No. 1566 - AN OPINION ON THE PURCHASE OR LEASE OF LOT
646 ON ASSESSOR'S PLAT 23 FOR A TOT LOT, 18
OLDHAM STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Thursday, August 11, 1966.

This referral is a request to present an opinion on the purchase or lease of Lot 646 on City Assessor's Plat 23 by the City for developing a Tot Lot.

On an inspection and photographic survey it was found that the lot is undeveloped and located in a deteriorated area densely developed with three-family houses in poor condition. On the east side is the Plain Street Recreation Center operated by the Providence Recreation Department.

Tot lots are expressly intended for high density areas such as this. The number of tot lots proposed in the Master Plan was, however, restricted by the factor of cost, and therefore, the Plan did not propose this particular location. Nevertheless, it appears ideally situated and the flexibility of proposals for facilities of this specific type are such that it is found unnecessary to raise the question of conformity. If, as proposed in the Master Plan, the Plain Street Center is relocated, the two sites might be merged for an improved facility at a later date. Therefore, it is the Commission's opinion that this would be suitable property for the City to purchase for the purpose of a tot lot.

Very truly yours,

Dear Mr. Vespia:

On April 1, 1966, I forwarded to The Honorable City Council data regarding a supplemental condemnation necessary in connection with the construction of the New Tunnel and Aqueduct. In the last sentence of the letter, I state:

"I estimate the cost of said acquisition at \$1,000 and recommend an appropriation be made for said purpose."

City Council Resolution No. 193 approved April 12, 1966 covered the condemnation of the land but no resolution was prepared covering the necessary appropriation of \$1,000. Under the circumstances, I am enclosing resolution prepared by our Legal Advisor, Mr. Walsh, for consideration of the Council at their next meeting.

Dear Mr. Vespia:

I am enclosing original and three copies of a Resolution to the City Council together with the easement that permits Irene L. Vario and Normand L. Beauregard to maintain a cesspool on land condemned in fee by the City of Providence on December 16, 1965. The expense of relocating the cesspool on other land outside the condemnation area would have to be borne by the City and the cost would be exorbitant. This will not interfere in any way with the laying of the new Supplemental Tunnel and Aqueduct across the property and reduces the cost of acquiring this parcel.
