Mr. Timothy Ahearn
Council for the Committee for Naming of Buildings
c/o City Clerk
City Hall
Providence, R. I. 02901

Dear Mr. Ahearn:

It has come to my attention that there is a move underway to change the name of Battey St. in Providence to Amalfitano St.

As a resident and property owner on Battey St., I hereby object to the re-naming of this street and would appreciate your consideration.

Also, I know that the majority of the home owners and businessmen on Battey St. concur.

If there is to be a hearing on this matter I would appreciate being informed.

Sincerely,

A handwritten signature in cursive script that reads "Ida A. Calise". The signature is written in dark ink and is positioned above the typed name.

Dear Sir;

We the residents of Battey Street. Do not want the name of our street changed. Here are some of the reasons.

1. The name Amalfittano is very hard to speal and pronounce for some people.
2. The young man didn't even live on this street.
3. Changing the name of the street is going to cause a lot of confusion in regard to our correspondance.
4. The signatures that you have that want our street changed not one person on that list lives on Battey Street.
