PASTEURIZED SELECTED MILK

Under state law only three grades of milk are recognized, Certified, Grade "A", and Regular. Milk may also be classified as homogenized, skim, or defatted. Buttermilk and Cultured Buttermilk are other recognized types defined by state law. Goat milk is also defined. All milk sold in the City of Providence is required to be pasteurized.

While there is no separate legal classification of Pasteurized Selected Milk, some dealers utilize this "grade" as a price differential. Check this grade with dealer's Grade "A" or Regular.

* STANDARD PLATE COUNT—The counts as listed are not all in accord with the "Standard Methods for the Examination of Dairy Products" as at present in force. Inasmuch as Standard Methods tries to overcome human errors as much as possible, only plate counts between 30 and 300 are to be tabulated. Inasmuch as direct plating, without dilution, would render the plate difficult to count through the milk cloud, most dilutions are 1:10 or 1:100. As most of the plates show a count under 30, Standard Methods insists that such plates be listed and averaged as less than 300, (30 times 10), organisms per millilitre. It is our feeling, however, that our method serves as a goal and greater incentive towards purer milk. This heading should preferably read PLATE COUNT.

EXECUTIVE DEPARTMENT

CITY HALL

November 14, 1962

To the Honorable the City Council
of the City of Providence

Gentlemen:

Your Committee has finished its task of negotiating a contract with the Firemen's union as required by statute. A copy of the final instrument is submitted herewith for the approval of your Honorable Body. The proposed contract calls for a flat four dollars (\$4.00) a week increase, an additional fifteen dollars (\$15.00) in the annual clothing allowance, liberalization of clothing replacement provisions, broadening of sick leave and furlough rules, and new grievance procedures. The total cost of the financial provisions will approximate \$111,500. for the Fire Department.

We reported to Your Honorable Body on July 5, 1962 that the union had rejected all of the provisions originally submitted and chose to go to arbitration. Your Committee selected Mr. John Hall as its representative and the union designated Mr. Salvatore DeSano. These men worked long and hard to resolve as many differences as possible without resorting to a third arbiter. After extended negotiations between Mr. Hall and representatives, of the union agreement was reached on the terms of the contract herewith submitted. It has already been approved by the membership of the union.

Your Committee recommends the approval of this contract as submitted herewith.

Very truly yours,

ARTICLE XIII.

Section 1. GRIEVANCE PROCEDURE

Alleged grievances of the members of the Fire Department in respect to wages, rates of pay, or other terms and conditions of employment arising under this contract or in connection with the interpretation thereof shall be handled in accordance with the following grievance procedure.

A) An individual having a grievance shall present his grievance to his immediate superior, either personally or through his union steward. Every effort shall be made to resolve grievances on this level before resorting to formal procedures. A grievance remaining unresolved after the foregoing procedure shall be referred to the appropriate Battalion Chief who shall make a serious and sincere attempt to settle the complaint.

B) If the procedures laid down heretofore fail to resolve the grievance, the individual shall, in writing, bring it to the attention of his district representative on the Executive Board of Local 799. Said Executive Board member shall, within five (5) days of the receipt of said grievance, arrange for the individual to present his alleged grievance at a meeting of a majority of the Executive Board. It shall be the responsibility of the Executive Board to determine the justification of the complaint. If, in the judgment of the Executive Board, the nature of the grievance justifies further action, it shall, through the President or Vice President of Local 799, carry the grievance to the Chief of the Fire Department.

C) The Chief of the Fire Department shall meet with the President or Vice President of Local 799 within ten (10) days of receipt of a request from said officer of Local 799. If either party feels it is necessary, the individuals involved in the grievance shall be ordered to appear before the Chief of the Fire Department and the President or Vice President of Local 799 for the purpose of testifying on the grievance. Within ten (10) days (unless otherwise agreed upon) of the first meeting between the Chief of the Fire Department and the President or Vice President of Local 799, the Chief shall render his decision in writing, a copy of the same to be delivered to the President or Vice President of Local 799.

D) If the decision of the Chief of the Fire Department is not acceptable to Local 799, a committee shall be created for the purpose of arriving at a final resolution of the problem. This committee shall be composed in the following manner: The Chief of the Fire Department or some person designated by him as his representative; the President of Local 799, or a member of that organization so designated by the President of the organization; a third disinterested member who shall be agreed upon by the first two members. If agreement cannot be reached on the third member within five (5) days of the decision to follow this procedure, the Union may request the assignment of an Arbitrator by the American Arbitration Association.

The decision handed down by this committee shall be submitted to the Commissioner of Public Safety for his consideration, and shall be advisory in nature.

Fees and necessary expenses of the neutral member only shall be borne equally by the parties.

ARTICLE XIV.

Section 1. GENERAL

It is agreed that any general conditions presently in force but which are not specifically mentioned in the agreement shall continue in full force and effect for the duration of this contract.

ARTICLE XV.

Section 1. TERM OF AGREEMENT

This agreement shall be for the term beginning on the date hereof and ending on September 30, 1963; except that the provisions of ARTICLE XII hereof dealing with salaries shall be retroactively effective to October 1, 1962.
