

RESOLUTION OF THE CITY COUNCIL

No. 663

Approved September 26, 2003

WHEREAS, Rhode Island's population is comprised largely of immigrants from nations around the world and descendants thereof; and

WHEREAS, The City of Providence was settled by Roger Williams, as he fled persecution, on the principles of independence, diversity, freedom, and tolerance; and

WHEREAS, The City of Providence has, and will continue to have for the foreseeable future, a large immigrant population from all over the world; and

WHEREAS, Immigration is essential to the city's economic growth, its social and cultural diversity, and the vitality of its civic life; and

WHEREAS, The security of our city is best protected when no one is forced to live in fear because of his or her immigration status; and;

WHEREAS, The interests of the city are not served by the current immigration law which does the following:

(a) Offers no opportunity for many hard working, taxpaying immigrant residents to become legal residents, and eventually, citizens, of the United States.

(b) Imposes many hardships on immigrant families wishing to reunite in this state.

(c) Fails to protect the workplace rights of immigrants who are investing their labor in the state's economy.

(d) Fails to provide the legal protections and civil rights afforded to citizens; and

WHEREAS, A national mobilization of individuals and organizations that already support immigration reform, from the United States Chamber of Commerce to the NAACP and the AFL-CIO, from democratic and republican elected officials to the National Immigration Forum and National Council of La Raza, is necessary to restore the momentum for policy change that was swept aside by the tragic events of September 11, 2001; and

WHEREAS, The Immigrant Workers Freedom Ride, which will set out from ten major cities in the United States and cross the country in buses in the fall of 2003, and culminate in delegations meeting Members of Congress in Washington, DC, and a mass show of support for immigrant workers in New York City, will be a powerful vehicle to demonstrate the existence of a broad national constituency for meaningful immigration reform.

Summary: _____

A Resolution in Support of the Immigrant Workers Freedom Ride

WHEREAS, The Providence City Council has officially embraced the cause of immigrant workers in the United States; and
Actively campaigns for legislative reform to benefit immigrant workers and their families; and
Expects that legislation to reform immigration law will be a matter of increasing congressional and executive activity; and
Believes that such legislative reform must include, at a minimum: (1) legalization, including the right of immigrant workers in the United States to live and work in this country and become its citizens, and (2) the right of immigrant workers to unite their families in the United States if they wish; and
Understands that a national mobilization of individuals and organizations from all sectors, including labor, business, political, religious, community, immigrant and civil rights and others, is necessary to demonstrate to Congress and the President that there is widespread support in the United States for meaningful legislative reform and for the recognition of the contribution of immigrant workers to the quality of social, cultural, political and economic life in the United States; and
Believes that the Immigrant Workers Freedom Ride, which will culminate in a mass demonstration in support of immigrant rights and legislative reform in Washington, D.C., and in New York City in Fall of 2003, will be a powerful vehicle for mobilizing that national constituency;

THEREFORE, BE IT RESOLVED:
The City Council of Providence Rhode Island hereby endorses the Immigrant Workers Freedom Ride
