DATE: 5/27/98

RE: PENDING MATTERS

Request: That the Traffic Engineer is requested to install a Pedestrian Crossing Signal, with a button, at the corner of Dexter Street and Hollywood Road.

Disposition: This intersection does not meet the warrants for a traffic signal, however, if the Councilperson wants to use a portion of their 2.5 million and expend approximately \$40,000 from their bond money, I will not offer any objection.

Disposition: Granted.
