# PREFACE.

THE 1895 issue of the PROVIDENCE DIRECTORY AND RHODE ISLAND BUSINESS DIRECTORY is the 55th number in the series and is delivered to our patrons at an early date.

It involves very many changes as the figures given below plainly indicate. While the increase in names is not as large as heretofore, considering everything it shows a reasonable growth in the population of our city.

Of those, whose names appeared in the Providence Directory of 1894, 17,185 have changed the location of their residences, 4,209 their business location, 8,016 the nature of their business or avocation. In 407 firms changes have been made either in names or membership.

THE HOUSE DIRECTORY which, in the last three editions we published in combination with this Directory, is now issued in a separate volume. It is printed in larger type than before, and it involves many new features, which make it an exceedingly valuable book for the home as well as the office. At the same time the PROVIDENCE DIRECTORY is relieved of an objection arising from its increased weight and bulkiness.

Among our citizens whose names are recorded in this book are Mr. Edward Congdon, born in 1802, and Mr. Thomas R. Briggs, born in 1807, whose names appeared in the first Directory of Providence, issued in 1824.

Attention is respectfully directed to the table of "Changes in the Directory" on this page, also to "Contents" on page 3.

SAMPSON, MURDOCK, & CO.

June, 1895.

PROVIDENCE, R. I.

We have 12 Steam Outfits and the widest experience of any party in New England. We can sink wells in ledge for one-half the price of blasting. We can show any Water Supply Committee over **5,000,000** gallons of pure water per day being pumped from our wells. We will show one drilled well earning $25.00 per day, one drilled well yielding 350 gallons of pure water per minute, one $65.00 well earning $180.00 a year.

I can refer to any of my patrons, a few of whom are:
