Re: Resignation for Environmental Sustainability

Dear Mayor Angel Taveras:

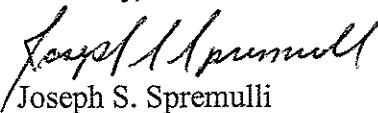

I regret to inform you that I must resign from the City of Providence Environmental Sustainability Task Force.

My duties at Providence Water have increased substantially and therefore I am unable to devote the necessary time to the Task Force.

Please contact me if you wish to fill my vacancy with an employee at Providence Water, as I would be willing to recommend someone.

It was a pleasure to serve on this Task Force and I wish you well as you continue to create a greener city.

Sincerely,

  
Joseph S. Spremulli
