Re: Admiral Fire Service(ID#17141)

Dear Mayor Elorza:

We are requesting the Mayor to approve, and the Board of Contract and Supply to authorize Providence Water (PW) to process payment to Admiral Fire in an amount not to exceed \$10,000. This request is for testing and inspections to comply with the National Fire Protection Association (NFPA) for Providence Water's Central Operating Facility.

With the acquisition of Providence Water's new facility at 125 Dupont Drive in Providence, inspections, testing, and fire suppression service were required. It was determined to utilize the current vendor providing service to the facility, Admiral Fire. Admiral Fire worked with Providence Fire to perform the final inspection and testing on the FM200 and kitchen Ansel systems. The COF was opened on time, meeting all local, state, and national fire suppression system standards.

It should be noted that these services will be competitively bid this year.

Funds are available in Providence Water's Operating Fund 601-440-53499.

Minority Participation is 0%

Respectfully Submitted,
PROVIDENCE WATER SUPPLY BOARD
