For Savings and Home Financing
See Old Colony First

Profitable Savings Plans

Old Colony Monthly Payment Shares help you build up funds for retirement, the down-payment on a home, college expenses for your children, or any worthwhile purpose. You may buy any number of shares you please. Even small amounts grow rapidly; for example — $5. per month to $1000. — $10. per month to $2000., etc.

Old Colony Savings Shares enable you to save what you can when you can. You may open a Savings Share Account with as little as $5. It's the easy way to accumulate cash for such yearly expenses as taxes, fuel bills, insurance premiums, and other lump-sum payments.

All Shares earn liberal dividends compounded semi-annually.

Low Cost Home Financing

When you buy a home, just make a reasonable down-payment—then repay your 12-Point Mortgage monthly, like rent. With liberal loan periods from 10 to 20 years you can choose a repayment schedule to fit your budget. The low interest rate is reduced by ½% three times during the term of the loan.

When you build, Old Colony advances funds as construction progresses. Thus you have ready cash for advances to the contractor and for materials. No monthly payment on principal is required until you move in, if this is within 6 months of the date of the mortgage.

A 12-Point Mortgage cannot be called while your monthly payments are up to date.

WHY A BUYERS' GUIDE?

★ *It is customary to include a Buyers' Guide in the City Directory because : : :*

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

What ELSE Do Car Owners Buy?

Besides all the automotive equipment, America's 37 million car and truck owners buy almost 85 per cent of all the merchandise sold by U. S. retail manufacturers.

WHO HAS THE NAMES OF AMERICA'S GREATEST MARKET?

You can get the names and addresses of every car owner in your block, your town, your county, your state, or ALL THE U. S.—from R. L. Polk & Company, who compile that information from the original sources. You can get the names of individual car owners, their addresses, make of car owned, and year model.

Polk's new automotive registration lists for the entire U. S. are now available—the major U. S. market for nearly every product!

Out of Sight! • Out of Mind! • Out of Business!

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

★ **The Buyers' Guide is a necessary supplement to the regular listings; it is good City Directory information . . . EXTENDED** ★

Do your employers furnish you with the latest edition of the City Directory

?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

CASHIERS! TELLERS! CLERKS!

Do your employers furnish you with the latest edition of the City Directory?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."
