Hon. Edmund Wexler
10 Weybosset Street
Providence, Rhode Island

Dear Councilman:

We the undersigned residents of the area are greatly concerned about the condition of the property at 108-110 Somerset Street.

This dwelling has become a mockery to the efforts of the neighborhood, not only has this delapidated building become an eyesore, but numerous fires have been started one way or another, the latest being two (2) over the September 17 weekend. This dwelling has been empty since the first of the year, and all efforts to contact the owner have been fruitless, as you probably have guessed he does not live in the area.

We therefore, through you, petition the city agency responsible for such investigations as may be necessary.

Thanking you in advance,

Yours truly
