

# RESOLUTION OF THE CITY COUNCIL

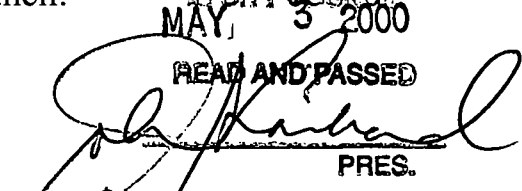

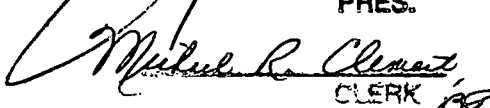

No. 268

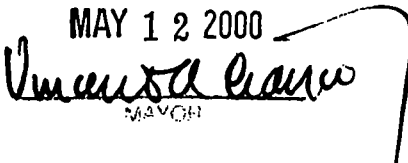

Approved May 12, 2000

WHEREAS, In accordance with Rhode Island General Law Sections 23-7-7 "Establishment of Mosquito Abatement Districts and Local Councils", only those cities or towns formally established as mosquito abatement districts may conduct programs of mosquito control. Steps for formal establishment are as follows:

- (1) Form a Mosquito Abatement District Council consisting of at least three individuals:
  - (a) The Chief Executive or Administrative Head of the City.
  - (b) The City Council President or some other designee.
  - (c) A third elected or appointed official designated by the first two members. In most cases, this person will be the Mosquito Control Program Director.
- (2) Give Public Notice and allow Public Hearing of the proposed mosquito abatement program. A publicly posted agenda of the City Council or Financial Meeting at which the program is considered will satisfy this requirement.
- (3) Notify the Rhode Island Mosquito Abatement Board, through the Department of Environmental Management Mosquito Abatement Coordinator, Government Center, Tower Hill Road, Wakefield, Rhode Island 02879, that the district has been formed, giving a description of district boundaries and list of district Mosquito Abatement Council Members.
- (4) File Notice of the formation and boundaries of the proposed district with the Secretary of State, State House, Providence, Rhode Island 02903. In most cases, boundaries of the district will be the geographical limits of the town or city. Boundaries may also be the jurisdictional limits of a fire district or the geographical limits of contiguous cities, towns or subdivisions.

NOW, THEREFORE, BE IT RESOLVED, That the Members of the Providence City Council hereby request to establish a Mosquito Abatement District and Council.

CITY COUNCIL  
MAY 3 2000  
READ AND PASSED  
  
PRES.  
  
CLERK

APPROVED

**23-6.1-4. Department of elementary and secondary education.** — The department of elementary and secondary education shall promulgate program guidelines and take any other actions which will promote the full implementation of all provisions of this chapter. A copy of the program guidelines issued by the department shall be sent to all participating high schools in the state.

### History of Section.

P.L. 1981, ch. 148, § 1.

Reenactments. The 1996 Reenactment (P.L. 1996, ch. 404, § 1) substituted "depart-

ment of elementary and secondary educa-  
tion" for "department of education" in the  
section heading and the first sentence, pursu-  
ant to § 16-60-7.

**23-6.1-5. Appropriations.** — The general assembly shall appropriate the sum of fifteen thousand dollars (\$15,000), to be administered by the department of elementary and secondary education, to carry out the purpose of this chapter, and the state controller is hereby authorized and directed to draw his or her orders upon the general treasurer for the payment of that sum or so much thereof as may be required from time to time, upon receipt by him or her of proper vouchers duly authenticated.

### History of Section.

P.L. 1981, ch. 148, § 1.

Reenactments. The 1996 Reenactment (P.L. 1996, ch. 404, § 1) substituted "depart-

ment of elementary and secondary educa-  
tion" for "department of education", pursuant  
to § 16-60-7.

## CHAPTER 7 MOSQUITO ABATEMENT

### SECTION.

- 23-7-1. Short title.
- 23-7-2. Declaration of policy.
- 23-7-3. Board established.
- 23-7-4. Membership of board.
- 23-7-5. Appointments and terms.
- 23-7-6. Meetings.
- 23-7-7. Establishment of mosquito abate-  
ment districts and local coun-  
cils.
- 23-7-8. Powers and duties of councils.

### SECTION.

- 23-7-9. Right to appeal board decisions.
- 23-7-10. Notice to cease operation.
- 23-7-11. Annexation by district.
- 23-7-12. Dissolution of district.
- 23-7-13. Disconnection of territory from dis-  
trict.
- 23-7-14. Severability.
- 23-7-15. Emergency powers.
- 23-7-16. Grants for mosquito abatement.

**23-7-1. Short title.** — This chapter shall be known and cited as "The Mosquito Abatement Act".

trol:

Conn. Gen. Stat. § 19a-93.

Mass. Ann. Laws ch. 40, § 5 (36); ch. 252,  
§§ 1, 5B.

## NOTES TO DECISIONS

**1. Public Funds.**

Nothing in former chapter 7 was susceptible of being construed as prohibiting a city treasurer from extending public funds for mosquito control through spraying, and non-

compliance, without more, was not a ground which, if proved, would justify injunctive relief. *Berberian v. Avery*, 99 R.I. 77, 205 A.2d 579 (1964).

**Collateral References.** Mosquitoes or other insect pests, conditions breeding, as a nuisance. 61 A.L.R. 1145.

**23-7-2. Declaration of policy.** — Mosquitoes in Rhode Island do not pose a routine threat to the public health. There has rarely, if ever, been a case of mosquito-transmitted viral encephalitis recorded in this state. Mosquitoes are hereby recognized to be a nuisance problem to the residents of this state. Specifically, it is declared to be the policy of the state that:

(1) Since large amounts of money have been spent by some individual cities and towns on mosquito control programs that have been ineffective, combined effort by contiguous municipalities would be more economical and beneficial.

(2) The environment surrounding the areas within which mosquitoes live and breed shall remain in such condition that it will continue to sustain the full range of natural plant and animal life characteristic of that area while providing relief from that nuisance.

(3) Unwarranted and sometimes excessive spraying can irreversibly damage the environment. For this reason, pesticide use must be minimized.

(4) Water-level management is presently the best type of program suited for most areas of this state.

(5) Mosquito abatement programs should be accompanied by a public education campaign emphasizing individual citizen's action for home and yard relief.

**History of Section.**

P.L. 1978, ch. 108, § 2.

**23-7-3. Board established.** — There shall be established a state mosquito abatement board consisting of eleven (11) members. The board shall have the authority to approve, authorize, regulate, terminate and/or deny any and all mosquito abatement programs of any type within the state. The board shall have the authority to promulgate and enforce rules and regulations in accordance with chapter 35 of title 42 as may be deemed necessary by the board. Specifically, the board may prescribe or prohibit by regulation the use of materials, rates of application, methods, and timing to be used in the application of pesticides for mosquito control when necessary to protect health or property, or to prevent injury to plants and animals (including pollinating insects, birds, and aquatic life). In

issuing such regulations, the board shall give due consideration to pertinent research findings, recommendations, and laws or regulations of other agencies of the state and of the federal government and to the best interests of the environment. Specifically, the director of environmental management, on behalf of the board, is hereby authorized to enter or examine at any reasonable time such premises as the board considers necessary to carry out its responsibilities under §§ 23-7-1 — 23-7-15. The board may also provide technical assistance and educational information to any city, town, or subdivision thereof, or any district in the development and implementation of a mosquito abatement program. The board shall draw staff support from the department of environmental management with the consent of the director.

**History of Section.**

P.L. 1978, ch. 108, § 2.

**Reenactments.** The 1996 Reenactment (P.L. 1996, ch. 404, § 1) deleted "entitled 'Administrative Procedures Act'" following

"chapter 35 of title 42" in the third sentence, and substituted "§§ 23-7-1 — 23-7-15" for "§§ 23-7-1 to 23-7-15, inclusive" in the sixth sentence.

**23-7-4. Membership of board.** — The directors of the departments of health and environmental management, or their designees, shall be ex-officio members. The speaker of the house of representatives shall appoint one member of the house and the majority leader of the senate shall appoint one member of the senate. The director of the department of environmental management shall appoint one professional agricultural chemist, one professional wildlife biologist, one professional entomologist, one medical doctor, one person representing an established conservation or environmental group within the state, and citizens representing any two (2) cities, towns, or subdivisions thereof, or districts, having regard, among other factors, to their qualifications, experience, and interest in effective mosquito control. Members of the board shall elect their own officers annually.

**History of Section.**

P.L. 1978, ch. 108, § 2.

**23-7-5. Appointments and terms.** — On May 3, 1978, the director of environmental management shall appoint two (2) representatives from any city, town, or subdivision thereof, or district to serve on the board until October, 1979. Those representatives shall serve thereafter for a term of one year and shall be selected on a revolving basis. The speaker of the house of representatives and the senate majority leader shall each appoint one member to serve until October, 1979. The director of environmental management shall appoint two (2) members to serve until October, 1980, two (2) members to serve until October, 1981, and three (3) members to serve until October, 1982. In the month of September, for every year thereafter, the director, speaker, or majority leader shall appoint successors to the

members of the board whose terms shall expire on that year. With the exception of the local representatives who shall serve for one year, all other board members shall hold office commencing on the first day of October for a three (3) year term and until their respective successors are appointed. Any vacancy which may occur in the board shall be filled by the director, speaker, or majority leader for the remainder of the unexpired term. A member shall be eligible to succeed him or herself.

**History of Section.**

P.L. 1978, ch. 108, § 2.

**23-7-6. Meetings.** — The members of the board shall meet initially at the call of the director of environmental management and, at their first meeting, shall elect a chairperson, a secretary, and such other officers as they may find necessary. Thereafter, the board shall meet as necessary, but not less than three (3) times per year. All regular board meetings shall be open to the public and all records of its proceedings, resolutions, and actions shall be open to public view.

**History of Section.**

P.L. 1978, ch. 108, § 2.

**23-7-7. Establishment of mosquito abatement districts and local councils.** — After September 30, 1978, any city or town or subdivision thereof or any two (2) or more cities and towns in Rhode Island and bordering communities may become a mosquito abatement district in accordance with chapter 43 of title 45. Such a district must be titled "The \_\_\_\_\_ mosquito abatement district". Notice of the formation of such a district must be filed with the secretary of state with a description of the proposed boundaries of the district. Any such district formed must also notify the state mosquito abatement board through the agricultural division of the department of environmental management. Under normal conditions, no city or town or subdivision thereof, or number of cities and towns shall undertake any mosquito control program without first being established as a mosquito abatement district and without approval of its mosquito control program by the board. The board shall be allowed ninety (90) days to act upon the proposed mosquito control program. A district council shall be established in accordance with § 45-24-36 and shall be called "The \_\_\_\_\_ mosquito abatement council". That council is declared to be the corporate authority of that district and shall exercise all of the powers and control all of the affairs and property of that district. The council shall keep regular records of all proceedings and financial affairs which shall be open to the inspection of the public at reasonable hours.

**History of Section.**

P.L. 1978, ch. 108, § 2; P.L. 1988, ch. 66,

**§ 1.**

**Reenactments.** The 1996 Reenactment (P.L. 1996, ch. 404, § 1) deleted "entitled 'Regional Councils of Local Government'" fol-

lowing "chapter 43 of title 45" in the first sentence; and substituted "A district council shall be established and" for "The district council established in accordance with § 45-24-2" in the seventh sentence, as § 45-24-2 was repealed in 1994.

**23-7-8. Powers and duties of councils.** — With the prior approval and written consent of the state mosquito abatement board, the council of the district shall have the power to take all necessary or proper steps for the extermination of mosquitoes within the district and to abate as nuisances all stagnant pools of water and other breeding places for mosquitoes within the district, to purchase such supplies and materials and to employ such labor and assistants as may be necessary or proper in furtherance of the objects of the same to build, construct, and thereafter to repair and maintain, necessary levees, cuts, canals, or channels upon land within the district, and generally to do any and all things necessary or incident to powers hereby granted and to carry out the objects specified herein. Prior to adoption of a district mosquito abatement program, a public hearing must be held. A hearing required by a federal, state, or municipal agency on the program will suffice for purposes of this section.

**History of Section.**

P.L. 1978, ch. 108, § 2.

**23-7-9. Right to appeal board decisions.** — Any decision of the state mosquito abatement board on a proposed mosquito abatement program may be appealed to the director of environmental management. Appeal proceedings shall be in accordance with chapter 35 of title 42.

**History of Section.**

P.L. 1978, ch. 108, § 2.

**Reenactments.** The 1996 Reenactment

(P.L. 1996, ch. 404, § 1) deleted "entitled 'Administrative Procedures Act'" at the end of the second sentence.

**23-7-10. Notice to cease operation.** — After September 30, 1978, whenever any city, town, or district commences any activity set forth in this chapter without first having obtained the written consent of the state mosquito abatement board, or violates any rule or regulation of the board, the director of the department of environmental management shall have the power by written notice to order the violator to cease and desist immediately. If the violator does not conform to the board's order, the director may bring prosecution by complaint and warrant and such prosecution shall be made in the district court of the state. The director, without being required to enter into any recognizance or to give surety for cost, may institute those proceedings in the name of the state. It shall be the duty of the attorney general to conduct the prosecution of all such proceedings brought by the director. The director may obtain relief in equity or

by prerogative writ whenever that relief shall be necessary for the proper performance of his or her duties under §§ 23-7-1 — 23-7-15.

**History of Section.**

P.L. 1978, ch. 108, § 2.

**23-7-11. Annexation by district.** — Any city or town or subdivisions thereof may, if willing, be annexed by appropriate action to a mosquito abatement district.

**History of Section.**

P.L. 1978, ch. 108, § 2; P.L. 1988, ch. 66, § 1.

**23-7-12. Dissolution of district.** — Any mosquito abatement district organized under the provisions of this chapter may be dissolved and discontinued by appropriate action of either the state mosquito abatement board or the district council. Notice of dissolution must be filed with the secretary of state and the state mosquito abatement board.

**History of Section.**

P.L. 1978, ch. 108, § 2.

**23-7-13. Disconnection of territory from district.** — Any town or city or subdivision thereof which lies within a mosquito abatement district may be disconnected, if willing, from a district upon the proper action by the council.

**History of Section.**

P.L. 1978, ch. 108, § 2.

**23-7-14. Severability.** — The invalidity of any part or portion of this chapter shall not affect the validity of the remaining part thereof.

**History of Section.**

P.L. 1978, ch. 108, § 2.

Reenactments. The 1996 Reenactment

(P.L. 1996, ch. 404, § 1) rewrote the section heading, which read "Partial invalidity of chapter".

**23-7-15. Emergency powers.** — Nothing in this chapter shall prevent the director of health in an extreme emergency to the public health from exercising powers provided in §§ 23-1-20 — 23-1-23.

**History of Section.**

P.L. 1978, ch. 108, § 2.

**23-7-16. Grants** with the provisions promulgated pursuant to establish a competitive district formed or authorized to receive a grant pursuant to shall be eligible to apply for a grant program shall be promulgated for mosquito abatement districts for control that lead to the disruption of natural resources shall promulgate rules for grants pursuant to the may include but are not limited to mosquito breeding sound management of water management prior to the purchase of educational equipment. In the event any portion of its grant is used for mosquito abatement board.

(b) The mosquito abatement board shall promulgate in regulations the grants will be awarded. In their final form, shall be approved by the mosquito abatement board and its approval or denial.

**History of Section.**

P.L. 1989, ch. 96, § 1.  
Reenactments. The 1996 Reenactment (P.L. 1996, ch. 404, § 1) added the

## RODENT CONTROL

**SECTION.**

- 23-7.1-1. Short title.
- 23-7.1-2. Declaration of purpose.
- 23-7.1-3. Definitions.
- 23-7.1-4. Powers and duties of the
- 23-7.1-5. Contributions to local ties.

**23-7-16. Grants for mosquito abatement.** — (a) Consistent with the provisions of this chapter and the rules and regulations promulgated pursuant thereto, the mosquito abatement board shall establish a competitive grant program. Only a mosquito abatement district formed or authorized pursuant to § 23-7-7 is eligible to receive a grant pursuant to this section. A mosquito abatement district shall be eligible to apply for one grant per year. The purpose of the grant program shall be to provide financial support to mosquito abatement districts for programs of long term preventive mosquito control that lead to minimization of pesticide use and minimal disruption of natural environments. The mosquito abatement board shall promulgate rules and regulations regarding the awarding of grants pursuant to this section. Appropriate uses of grant money may include but are not limited to, the following: inventory of larval mosquito breeding sources, application of innovative and environmentally sound mosquito control methods, execution of approved water management projects which deal with mosquito control and the purchase of educational materials and educational services. Grants made to mosquito abatement districts shall not be used to finance the routine operation of a mosquito control program, including but not limited to, the purchase of pesticides and pesticide application equipment. In the event that a district does not utilize all or any portion of its grant money, then the district shall return to the mosquito abatement board the nonutilized grant money.

(b) The mosquito abatement board pursuant to title 42, chapter 35 shall promulgate in regulation form the criteria upon which the grants will be awarded. The regulations setting forth grant criteria, in their final form, shall be given to all grant applicants. The mosquito abatement board shall clearly state in writing the reasons for its approval or denial of a grant.

**History of Section.**

P.L. 1989, ch. 96, § 1.

**Reenactments.** The 1996 Reenactment (P.L. 1996, ch. 404, § 1) added the subsection

designations, which change was first made by the compiler in 1989; and inserted "a" preceding "mosquito control program" in the next-to-last sentence in subsection (a).

## CHAPTER 7.1

### RODENT CONTROL AND ERADICATION

**SECTION.**

- 23-7.1-1. Short title.
- 23-7.1-2. Declaration of purpose.
- 23-7.1-3. Definitions.
- 23-7.1-4. Powers and duties of the director.
- 23-7.1-5. Contributions to local communities.

**SECTION.**

- 23-7.1-6. Penalty for violation.
- 23-7.1-7. Bite report not violation of physician-patient relationship.
- 23-7.1-8. Severability.

of the city or town, not otherwise insured, the city or town council shall request, in accordance with the terms of the laws then applicable, an additional appropriation of moneys of the city or town not otherwise appropriated. Any unexpended balance of any or all of these appropriations shall be carried forward to succeeding fiscal years.

**History of Section.**

P.L. 1971, ch. 216, § 1.

**45-41-8. Severability.** — The provisions of this chapter are severable, and if any of its provisions is held unconstitutional by any court of competent jurisdiction, the decision of the court shall not affect or impair any of the remaining provisions.

**History of Section.**

P.L. 1971, ch. 216, § 1.

## CHAPTER 42

### EMERGENCY POLICE POWER

**SECTION.**

45-42-1. Emergency police power.

**45-42-1. Emergency police power.** — When the police chief of a city or town within the state or his or her designee requests emergency police assistance from another police department within the state, the officers responding to the request shall be subject to the authority of the requesting chief and have the same authority, powers, duties, privileges, and immunities as a duly appointed police officer of the city or town making the request, until the requesting chief of police discharges and releases the assisting police officers to their own departments.

**History of Section.**

**Comparative Legislation.** Emergency police assistance:

## CHAPTER 43

### REGIONAL COUNCILS OF LOCAL GOVERNMENT

**SECTION.**

45-43-1. Establishment.

45-43-2. Membership.

45-43-3. Powers.

45-43-4. Bylaws.

**SECTION.**

45-43-5. Staff.

45-43-6. Finances — Annual report.

45-43-7. Meetings — Records.

**45-43-1. Establishment.** — The municipal legislative bodies of any two (2) or more cities or towns, by appropriate action, may enter into an agreement with each other, or with the governing bodies of any municipalities of any other state to the extent that laws of the other state permit the establishment of a regional council of local governments.

**History of Section.**

P.L. 1972, ch. 248, § 1.

Conn. Gen. Stat. § 4-124c et seq.

**Comparative Legislation.** Regional  
councils of local government:

**45-43-2. Membership.** — Membership of the council consists of three (3) representatives from each city or town entering into the agreement. The three (3) regular members from each city and town are as follows:

- (1) The chief executive or administrative head of the city or town.
- (2) The council president or designee of the city or town.
- (3) A third elected or appointed official in the city or town designated by the first two (2) regular members.

**History of Section.**

P.L. 1972, ch. 248, § 1.

**45-43-3. Powers.** — (a) The council has the power to:

(1) Study area governmental problems common to two (2) or more members of the council as it deems appropriate, including, but not limited to, matters affecting health, safety, welfare, education, economic conditions, and regional development;

(2) Promote cooperative arrangements and coordinate action among its members; and

(3) Make recommendations for review and action to the members and other public agencies that perform functions within the region.

(b) The council may, by appropriate action of the governing bodies of the member governments, exercise other powers that are exercised or capable of exercise by the member governments and necessary or desirable for dealing with problems of mutual concern; provided, that the exercise of power for the creation, construction, or operation of new regional solid waste disposal facilities is contingent upon the approval of the solid waste management corporation.

**History of Section.**

P.L. 1972, ch. 248, § 1; P.L. 1974, ch. 176,  
§ 2.

**45-43-4. Bylaws.** — The council shall adopt bylaws designating the officers of the council and providing for the conduct of its business.

**History of Section.**

P.L. 1972, ch. 248, § 1.

WHEREAS, In accordance with Rhode Island General Law Sections 23-7-7 "Establishment of Mosquito Abatement Districts and Local Councils", only those cities or towns formally established as mosquito abatement districts may conduct programs of mosquito control. Steps for formal establishment are as follows:

- (1) Form a Mosquito Abatement District Council consisting of at least three individuals:
  - (a) The Chief Executive or Administrative Head of the City.
  - (b) The City Council President or some other designee.
  - (c) A third elected or appointed official designated by the first two members. In most cases, this person will be the Mosquito Control Program Director.
- (2) Give Public Notice and allow Public Hearing of the proposed mosquito abatement program. A publicly posted agenda of the City Council or Financial Meeting at which the program is considered will satisfy this requirement.
- (3) Notify the Rhode Island Mosquito Abatement Board, through the Department of Environmental Management Mosquito Abatement Coordinator, Government Center, Tower Hill Road, Wakefield, Rhode Island 02879, that the district has been formed, giving a description of district boundaries and list of district Mosquito Abatement Council Members.
- (4) File Notice of the formation and boundaries of the proposed district with the Secretary of State, State House, Providence, Rhode Island 02903. In most cases, boundaries of the district will be the geographical limits of the town or city. Boundaries may also be the jurisdictional limits of a fire district or the geographical limits of contiguous cities, towns or subdivisions.

NOW, THEREFORE, BE IT RESOLVED, That the Members of the Providence City Council hereby request to establish a Mosquito Abatement District and Council.

**ESTABLISHMENT OF A MOSQUITO ABATEMENT DISTRICT**

*in law*  
In accordance with RI GL Section 23-7-7 "Establishment of Mosquito Abatement Districts and Local Councils", only those cities or towns formally established as mosquito abatement districts may conduct programs of mosquito control. Steps for formal establishment are as follows:

- (1) Form a *Mosquito Abatement District Council* consisting of at least three (3) individuals:
  - (a) The Chief Executive or Administrative Head of the city or town (i.e., mayor, town administrator)
  - (b) The City or Town Council President or some other designee.
  - (c) A third elected or appointed official designated by the first two members. In most cases, this person will be the Mosquito Control Program Director.
- (2) Give *Public Notice* and allow *Public Hearing* of the proposed mosquito abatement program. A publicly posted agenda of the Town Council or Financial Meeting at which the program is considered will satisfy this requirement.
- (3) *Notify* the Rhode Island Mosquito Abatement Board, through the Department of Environmental Management Mosquito Abatement Coordinator, Government Center, Tower Hill Road, Wakefield, RI 02879, that the district has been formed, giving a description of district boundaries and list of district Mosquito Abatement Council Members.
- (4) *File Notice* of the formation and boundaries of the proposed district with the Secretary of State, State House, Providence RI 02903. In most cases, boundaries of the district will be the geographical limits of the town or city. Boundaries may also be the jurisdictional limits of a fire district or the geographical limits of contiguous cities, towns or subdivisions.

~~You will find a form letter suitable for submission to the Secretary of State on the reverse side.~~

The Honorable \_\_\_\_\_  
 Secretary of State  
 State House  
 Providence RI 02903

Dear Secretary \_\_\_\_\_,

I am herewith filing notice of the formation of a mosquito abatement district, titled the \_\_\_\_\_ Mosquito Abatement District as required by Section 23-7-7 and Chapter 45-43 of the General Laws of Rhode Island. Boundries of such district are hereby designated as \_\_\_\_\_.

The district council of the \_\_\_\_\_ abatement district shall be called the \_\_\_\_\_ mosquito abatement council, in accordance with Sections 45-43-2 and 23-7-7 of the General Laws of Rhode Island.

Sincerely,
