Dear Mike:

It was a pleasure speaking with you recently and discussing the Capital Center Criterium scheduled for July 31st around the State House.

As you will recall, the Capital Center Criterium is a one day international Pro-Am cycling event attracting more than 500 world class racers to Providence. The event is considered one of the most prestigious Pro-Am cycling events in the country.

Sanctioned by the United States Cycling Federation (USCF), the Capital Center Criterium continues to promote the sport of cycling while at the same time showcases the wonderful resources we have in Providence and throughout the entire State.

As discussed, this letter is to confirm our conversation and ask that you place the following road closure request on the City Council agenda at the next scheduled council meeting.

We respectfully request that the City of Providence permit the closure of Francis Street, Gasbee Street and the Dr. Martin Luther King Memorial Bridge on July 31, 1994, between 7:00 AM and 6:00 PM.

Councilman Thomas Glavin has agreed to sponsor this request and asked that it be placed on the council agenda

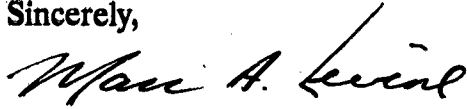

Sports Marketing Group is working closely with the Mayor's Office, Providence Police and Fire Departments, DPW, State DOT, Parks & Recreation and City Traffic & Engineering to ensure the success and safety of the event for all involved.

Mike, we are excited about the continued growth and longevity of this event and look forward to again working with you and the City of Providence as we build this international sporting event within our Rhode Island community.

Please contact me with any questions and I hope you will be able to attend the event on July 31st.

Thank you again for your assistance in this matter and more importantly for your continued support.

Sincerely,
