## PERSONAL PRIVILEGE

COUNCILMAN GARAN requests and is granted the Privilege of the Floor stating that he is referring to Item No. 15 on this day's Docket, and he states he is always glad to say that the Members of this Council are seeking to improve Housing Standards, that it is unfortunate that yesterday in this City, the Mayor of this City chose to terminate the Chief of the Division of Code Enforcement with no cause; it has created a traversy and a sham for every City Worker in the City, who do their job and end up on the short end of the stick; he wasn't playing politics in the City and his reward was termination. The people are not going to rest until some justice is done; is calling on all the Members of this Council and all the people to protest the Mayor's action in the Mayor's Office by coming down tomorrow afternoon. The Chief fought hard to improve Housing and because he did not bow to political pressure, he was fired.

The Mayor has taken a turn around; when he was running for Office, he promised to put Providence ahead of politics, but the Mayor has chosen to place politics before the people and the people of this City will not rest until they make their views known.

COUNCILMAN MANSOLILLO requests and is granted the Privilege of the Floor stating that Councilman Flynn, Chairman, Committee on Public Works, had expressed concern about the functioning of that Committee relative to matters that are recommended for passage by this Council; and that he (Mansolillo) is somewhat perplexed at the action taken by the Council, sometimes; he knows that there are Public Works Items that the Council passes immediately, but Item No. 36 on this day's Docket has been referred back to Committee; there may be a reason for this action, but he is confused as to what that reason might be.

COUNCILMAN MANSOLILLO further states that he would hope that the City Council would have some opportunity to view the Docket before really addressing themselves to react negatively; it seems that this is a Council of negating the Committee process; this Council should be operating in a more responsive manner upon the Committee's recommendations before the decisions of the Committee are negated or mitigated.

**COUNCILMAN JOHNSON** requests and is granted the Privilege of the Floor stating that he knows that Councilman Mansolillo is a Councilman of accuracy but the problem here stems from that the letter that was sent out was signed by the wrong Councilmen, it was signed by Councilmen Garan and Tomasso and he believes it should have been signed by Councilman McKiernan and himself.

**COUNCILMAN LYNCH** requests and is granted the Privilege of the Floor stating that he can

understand Councilman Mansolillo's concern about the fact that the recommendation of a Committee is overturned, but the ultimate decision on matters before the Council is the determining factor as to whether a Resolution passes or not passes.

**COUNCILMAN FLYNN** requests and is granted the Privilege of the Floor stating that there was another matter referred back to the Committee on Public Works because of a legal question raised by the Law Department.

## ADJOURNMENT

There being no further business, on motion of **COUNCILMAN LYNCH**, seconded by **COUNCILMEN ADDISON, FLYNN, MANSOLILLO, MEROLA, TOMASSO** and **TURCHETTA**, the City Council adjourns at 9:35 o'clock P.M. (E.S.T.) to meet again on **THURSDAY, DECEMBER 2, 1976** at 8:00 o'clock P.M. (E.S.T.).
