Mr. Vincent Vespia,
Deputy City Clerk,
Providence, R. I.

Dear Mr Vespia,

I have your letter of May 25th regarding circular piece of land located on Lot 104 Plat 40 containing 804 square feet of land in Cole Farm development which is being turned over to the Public Works Department.

In this connection, I might say that the Park Department has been cooperating for some time with the Public Works Department in furnishing evergreens, etc. for many properties in their care such as the one referred to in your letter. You may be assured that the Park Department will be willing and happy to furnish evergreens for this new property.

With kindest regards, I am

Sincerely yours,

Martin F. Noonan
Superintendent

May 25, 1955

Mr. Martin F. Noonan
Superintendent of Parks
Roger Williams Park
Providence, Rhode Island

Dear Martin:

The Committee on Public Works this day considered a deed of conveyance to the City of Providence of that certain property known as Lot 104 on Plat 40 of the City Assessor and containing 804 square feet of land. This is a portion of the Cole Farm Development Plat in the east side section of Providence.

The Committee, after conferring with Deputy Director of Public Works Meade, is of the opinion that if the City accepts this conveyance, it would be morally obligated to maintain the shrubbery, in view of the fact that an informal agreement was made by one of the property owners to take care of same.

The Committee would appreciate an expression from you as to whether or not your Department would be able to take care of this small area as a sort of agreement with the Department of Public Works of the City, who would be the owners of this land.

It is my understanding that the abutting owners originally planted this shrubbery, as shown in the enclosed picture.

May I have the benefit of your advice.

Very sincerely yours,

Vincent Vespia,
Deputy City Clerk.

RESOLUTION OF THE CITY COUNCIL

No. 428

Approved July 8, 1955

Resolved,

That permission be and hereby is granted to Speidel Corporation, a corporation created and existing under the laws of the State of Rhode Island, to install an underground conduit under and across Elbow Street between the Speidel Building and the Westinghouse Building located on said street between Ashcroft Street and Chestnut Street in accordance with the accompanying plan attached hereto as approved by the City Engineer of the City of Providence, the Public Service Engineer and the Deputy Director of Public Works, and in accordance with the provisions of "An Act authorizing the City of Providence to permit the owner or owners of estate situated upon opposite sides of a street or highway to build and maintain a subway, conduit or pipe under or across such street or highway", being Chapter 1418 of the Public Laws, approved April 4, 1916.

The permission hereby granted is upon the condition that said underground conduit for steam pipes connecting the steam plant of the Speidel Corporation with the piping system in the Westinghouse building shall be so constructed as not to interfere with the use of said Elbow Street by the public or by any person or corporation having the right to maintain pipes or conduit under or in said street; and it is further provided that the permission hereby granted is upon the condition that said underground conduit for steam pipes shall be constructed under the supervision and control and to the satisfaction of the Director of Public Works and upon condition that said underground conduit shall be removed upon ninety (90) days previous notice from the City Council whenever in the opinion of said City Council the public interest may require the removal of the same or any part thereof; and upon the condition that in case the City of Providence shall at any time hereafter be authorized to assess abutting owners for the private use and occupation of the public highway, the passage of this resolution shall not in any manner affect the right of the city to charge and collect rent for the use of said Elbow Street by the Speidel Corporation, its successors and assigns, or for maintaining

**RESOLUTION
OF THE
CITY COUNCIL**

PERMITTING SPEIDEL CORPORATION
TO INSTALL A CONDUIT UNDER
AND ACROSS ELBOW STREET

CITY OF PROVIDENCE
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

PETITION TO THE CITY COUNCIL

/ TO THE HONORABLE CITY COUNCIL OF THE CITY OF PROVIDENCE:

The undersigned respectfully petition your honorable body to adopt a Resolution to issue a permit to Speidel Corporation, a corporation organized and existing under the laws of the State of Rhode Island, with its principal place of business in said City of Providence, which is the owner of a certain estate on the easterly side of Elbow Street, south of Ashcroft Street and north of Chestnut Street in said Providence on which is located the Speidel Building, so-called; and which is also the owner in equity of the Westinghouse Building, so-called, on the westerly side of said Elbow Street and being numbered 10 thereon (said Westinghouse Building being now owned by Harry Leach, et al, who have agreed, pursuant to an agreement dated May 5, 1955, to sell the same to said Speidel Corporation which also is obligated to purchase the same) to build and maintain a subway for conduits or pipes under and across said Elbow Street for the purpose of connecting said Speidel Building and said Westinghouse Building with a steam line and return line, all in accordance with a plan duly filed herewith in the office of the City Clerk of said Providence.

Passage of the Resolution is prayed for in order that Speidel Corporation may utilize its own steam plant situated in said Speidel Building for said Westinghouse Building which it will own as there is no steam plant in said Westinghouse Building, said steam therefor being furnished from outside sources, namely, from the Doran Building, so-called.

Passage of the Resolution is prayed for under the provisions of the Rhode Island Public Laws, 1916, Chapter 1418, and subject to all the terms and conditions of said statute.
