Managed the establishment of the Puerto Rican Legal Defense and Education Fund (PRLDEF), Rhode Island Latino Voting Rights Project division of the Latino Voting Rights Network a nonpartisan network that promoted the participation of the Latino community in the 2002 redistricting process critical to determining the nature of Latino political representation at the Congressional, state and local levels of government for the next decade or so.

Latino Day On The Hill

2000

Cofounder/Director

Seek legislative and gubernatorial support and awareness for certain indispensable elements of our community in order to empower further progress. This event will give Latinos an opportunity to visit the State Capitol during the General Assembly, meet with their local legislators and promote in person our legislative priorities.

Ganamos con Gore RI Chapter

2000

State Coordinator

Work in conjunction with National coordinator of VP Gore's Latino Coordinator, to rally support from the Latino community on behalf of the Vice president Campaign.

Redistricting Coalition

2000

Founding Member/Co-Chair

Develop clear, legally defensible standards that were written into the enabling legislation, and developed a highly public process for redistricting. Introduce and push for passage of redistricting legislation that embodies those standards and that process. Remain vigilant as the redistricting process moves forward and reach consensus on compromises that may be necessary as the legislative process moves forward. Ensure that the coalition participates fully in whatever studies and hearings take place during redistricting.

Democracy Compact

2000

Founding Member/Fellow

Non-partisan organization charge with the objective of reversing a decade's long slide in voting participation in Rhode Island. Worked to build ground operations from the bottom and assisted grass root organizations by providing polling data and research materials, provide voter contact materials, and hold state base vote training for campaign staff, specifically targeting high performance precincts.
