"Building Pride in Providence"

December 15, 1994

Mr. James A. Petrosinelli  
President  
Providence City Council  
City Hall  
25 Dorrance Street  
Providence, RI 02903

Dear Mr. Petrosinelli:

It is a pleasure to submit to you the PPBA 1994 annual report. Enclosed you will find a copy of the audited financials for this past fiscal year.

This has been a year of real accomplishment for the City, and under the Council's and Mayor's leadership we have been able to complete the development of school expansions at the Martin Luther King School and Laurel Hill Avenue School. The Feinstein Public Service Academy has been opened, creating a national model for public service high schools. We have also implemented your program of strengthening the neighborhoods with recreation centers opened in Silver Lake, the West End and Mount Hope. The citywide Head Start program has been strengthened with the new center at Berkshire Street. All in all, this past year has been a year of growth and strengthening of the fabric of our great city.

It has been a pleasure to serve the people of Providence, and we look forward to assisting you in the new year ahead.

Sincerely,

Lloyd W. Granoff  
Chairman
