Preface.

NEARLY every year something new is called for by our patrons in our forthcoming publications, and the HOUSE DIRECTORY is no exception to this rule. When it appears to us to be useful and practicable, we have, without hesitation, accepted suggestions.

The simple street panorama issued in 1892-3-4, and published with the regular Providence Directory of those years in one volume, gave place in 1895 to the PROVIDENCE HOUSE DIRECTORY, in a separate book, with fine, clear typography, greatly extended scope of information, involving officers and members of prominent clubs, churches, charitable institutions, hospitals, libraries, places of amusement, parks, hotels, banks, with other abundant miscellaneous matter.

In 1896 edition the book was further enlarged, and the present volume contains more than ever before, and is what its new name implies, a Providence House Directory and Family Address Book.

We have this year issued the Home Edition of this work, which comprises all that the regular edition contains and is elegantly bound in blue and gold with bevelled board covers and full gilt-edged leaves.

A reference to the title page or the contents on page 5 will indicate the comprehensiveness of our HOUSE DIRECTORY and its practical adaptation to the uses of the public, both at home and in the office.

Respectfully,

SAMPSON, MURDOCK, & CO.

Giving the location of each street, and showing what other streets and places run from it or across it, with the number at which they intersect. From this list, the location of any number on a street can be easily ascertained; as, for instance, wishing to know at what part of Westminster Street No. 1129 comes, you look at Westminster Street, and find that Knight Street runs from 1069, and Bridgham Street from 1189, showing that 1129 Westminster Street would come about half-way between Knight and Bridgham Streets.

Providence House Directory

AND FAMILY ADDRESS BOOK.

In this House Directory the numbers have been arranged in regular succession, without distinctive reference to either side of the street. Names of housekeepers and boarders are given at residences, being designated by the abbreviations h. and b. after the name. When neither of these abbreviations appear, business places are indicated, and at such places the names under which the business is carried on (individual, firm or company), are given. When at the same street number, more than one name appears, they are arranged alphabetically, except that where different rooms or apartments are given by numbers, these are arranged numerically, and the names of their occupants, in corresponding relation.

The abbreviation r. between the street number and the name signifies "rear," but when it follows the name, "rooms."

The streets are arranged in alphabetical order.

The usual street directory giving the location of each street, and showing what other streets, places, etc., run from it or across it, is published on page 17.
