TO THE HONORABLE
THE CITY COUNCIL
City Hall
Providence 3, R. I.

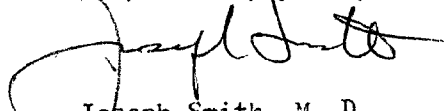

Gentlemen:

My attention has been called to an Act introduced into the General Assembly, number S-195, which is an Act in amendment of Chapter 2009 of the Public Laws of 1948, relative to the licensing of Victualling houses.

While the intent of this Act was to authorize the delegation of the licensing power, now vested in the Superintendent of Health, to the Bureau of Licenses, the law as introduced into the General Assembly would transfer the entire powers of the Superintendent of Health, relative to Victualling Licenses, to the Bureau of Licenses.

I, therefore respectfully request your Honorable Body to inform the Chairman of the Senate Committee on Special Legislation that it was the intent to transfer only the licensing provisions of the City Ordinances concerning restaurants to the Bureau of Licenses and that the duties and powers of the Superintendent of Health in regard to these licensed establishments would not be in any way effected.

Respectfully yours,

Joseph Smith, M. D.,
Superintendent of Health

IN GENERAL ASSEMBLY

January Session, A.D. 1962

AN ACT

CREATING THE PROVIDENCE PARKING AUTHORITY AND PROVIDING
FOR ITS POWERS AND DUTIES

It is enacted by the General Assembly as follows:

ARTICLE 1. DECLARATION OF NECESSITY AND PURPOSE OF ACT.

SECTION 1. Declaration of Necessity. It is hereby determined as a matter of legislative finding:

(a) That a general program of renewal must be commenced immediately in the downtown area of the City of Providence to safeguard the health, safety, and welfare of the people of said city and of the State of Rhode Island generally, and to cope with the social and economic problems caused by the growth and mobility of the population; and the resulting shifts in the location of residences and changes in living and working habits, generally throughout the country and specifically in the State of Rhode Island, have created grave problems in the City of Providence in particular which said problems include traffic congestion and inadequate parking facilities.

(b) That free circulation of traffic of all kinds through the streets of the City of Providence is necessary to the health, safety and general welfare of the public, whether residing in said city or traveling to, through, or from said city in the course of lawful pursuits;

(c) That the parking of motor vehicles on the streets, in addition to the greatly increased use by the public of motor vehicles of all kinds, has caused traffic congestion in the streets of Providence to such an extent as to interfere seriously with the primary use of such streets for the movement of traffic, for the effective fighting of fires and for the disposition of police forces in said city, and consequently endangers the health, safety, and welfare of the public;

(d) That such traffic congestion and parking problems result in loss in valuations of property in the City of Providence and in turn lead to the general neglect of such property, with the consequent decline in tax revenues;

(e) That the continued existence of these conditions has created an emergency which threatens the welfare of the community and that such emergency can be reduced by providing sufficient off-street parking facilities properly located in the downtown area of said city.

(f) That the establishment of a parking authority will promote the health, safety, and welfare of the people of the City of Providence and of the State of Rhode Island.

SEC. 2. Policy of Act. Therefore it is declared to be the policy of the state to promote the safety and welfare of the inhabitants thereof to control such economic and social decline by the comprehensive and sustained use of corrective methods and techniques, and to that end by the creation in the City of Providence of a body corporate and politic to be known as "PROVIDENCE PARKING AUTHORITY", which shall exist and operate for the purposes contained in this act, and such purposes are declared to be public uses for which private property may be acquired by the exercise of the power of eminent domain.

SEC. 3. Purpose of Act. It is declared to be the purpose of this act to aid the implementation of a general program of renewal in the downtown area of the City of Providence by the creation of the aforesaid "Providence Parking Authority" to relieve traffic congestion, provide for free circulation of traffic and generally to cope with the economic and social problems caused by the growth and mobility of the population

generally throughout the country and specifically in the City of Providence by providing sufficient off-street parking facilities properly located in the downtown area of said city and as an incident to the operation of any off-street parking facility, the authority may devote a portion of its property to such commercial uses as it in its judgment deems convenient or necessary to the economic utilization of the land upon which the parking facility is located.

ARTICLE II. CREATION AND ORGANIZATION.

SECTION 1. There is hereby created a body corporate and politic to be known as the "PROVIDENCE PARKING AUTHORITY", consisting of five (5) members who shall be appointed by the Mayor of the City of Providence with the approval of the City Council.

Forthwith upon the passage of this act, the Mayor shall appoint one member to serve until the first day of April, 1963, one member to serve until the first day of April, 1964, one member to serve until the first day of April, 1965, one member to serve until the first day of April, 1966, and one member to serve until the first day of April, 1967, and until their respective successors shall be duly appointed and qualified.

In the month of March, 1963 and in the month of March annually thereafter, the Mayor shall appoint with the approval of the City Council one member of said authority to serve for a term of five (5) years to succeed the member whose term will then expire. In the event of a vacancy occurring in said membership, the Mayor shall appoint with the approval of the City Council a member for the unexpired term. Any member of the authority shall be eligible for reappointment.

Each member of the authority before entering upon his duties shall take an oath to administer the duties of his office faithfully and impartially, and such oath shall be filed in the office of the City Clerk of the City of Providence.

Members of the Authority may be removed by the Mayor for malfeasance, misfeasance, or nonfeasance provided that such member so charged shall be entitled to a public hearing before an appropriate committee of the City Council.

The Mayor in March of each year shall designate one of its members as chairman, and the authority shall annually elect a vice chairman and shall also elect a secretary and a treasurer who may or may not be members of the authority. Three members of the authority shall constitute a quorum and the concurring vote of three members shall be necessary for any action by the authority. No vacancy in the membership of the authority shall impair the right of a quorum to exercise all the rights and perform all the duties of the authority. The members of the authority shall not be entitled to compensation for their services but shall be reimbursed for their actual expenses necessarily incurred in the performance of their duties.

SEC. 2. No member, officer, or employee of the Authority shall acquire directly or indirectly in any property or contract included within a project. Such acquisition shall be grounds for immediate removal from office or employment and shall make any such contract voidable by the Authority.

If any such member, officer, or employee owns or has any financial interest direct or indirect, in any property included within such project area or any contract executed in connection therewith, he shall immediately disclose, in writing, such interest to the Authority and such disclosure shall be entered in the minutes of the Authority. Failure to so disclose such interest shall constitute misconduct in office. Any such contract shall be voidable by the authority.

No payment shall be made to any such member, officer, or employee for any property or interest therein acquired by the Authority from such member, officer, or employee, unless the amount of such payment is fixed by Court Order in eminent domain proceedings.

SEC. 3. The City of Providence is authorized to loan to the Authority funds to organize.

ARTICLE VI. RESOLUTION OF INTENTION

SECTION 1. Resolution of Intention. Whenever the authority shall determine that the public interest and convenience require the acquisition, construction, or development of a particular project for the purposes herein set forth, it shall adopt a resolution declaring its intention to acquire, to construct, or develop such a project. Such resolution shall contain:

(a) The determination and declaration referred to above including the findings upon which such determination is based.

(b) A general description of the project including the estimated cost thereof.

(c) A general statement of the source or sources of funds to be used for such acquisition and construction.

(d) A general statement of the anticipated revenues and cost of operations.

(e) A day, hour and place at which a public hearing will be held for a public discussion of said project, and a statement that any and all persons in favor of or having any objection to the construction of said project may appear at that time and be heard. Notice of said hearing shall be given by publication in a daily newspaper published in the City of Providence once each week for three successive weeks prior to said hearing.

ARTICLE VII. EMINENT DOMAIN PROCEEDINGS.

SECTION 1. Procedure. The Authority shall have the right to acquire any land or other real property or any interest therein, by the exercise of the power of eminent domain, whenever it shall be determined by the authority after proceedings as provided herein that the acquisition of such land or other real property, or interest, is necessary for the construction or the operation of any project and to carry out the purposes of this Act.

(a) The necessity for such acquisition shall be conclusively presumed upon the adoption by the authority of a resolution declaring that the acquisition of the land or other real property or interest therein, described in such resolution is necessary for such construction or operation. Within six months thereafter the authority shall cause to be filed in the office of the Recorder of Deeds of the City of Providence a copy of such resolution of the authority, together with a plat of the real property, or interest therein described, and a statement, signed by the chairman and secretary of the authority, that such lands, or interest therein,

are taken pursuant to the provisions of this act. Thereupon the authority shall file in the Superior Court in and for the county of Providence, a statement of the sum of money estimated by the authority to be just compensation for the land taken.

(b) Upon the filing of the copy of such resolution, plat and statement in the office of the Recorder of Deeds, the filing in the Superior Court, of the statement, and the depositing in the Superior Court, to the use of the persons entitled thereto, of such sum as the court shall determine to be amply sufficient to satisfy the claims of all persons interested in said land (and the court may, in its discretion, take evidence on the question to determine the sum to be deposited), title to such land, or interest therein, shall vest in the authority in fee simple absolute and the authority thereupon may take possession of said land, or interest therein.

(c) No sum so paid into the court or any interest paid thereon shall be charged with clerk's fees of any nature. After the filing of a copy of the resolution, plat and statement, notice of the taking of such land, or interest therein, shall be served upon the owners of and persons having an estate in and interested in such land by the sheriff or his deputies of the county in which said person or persons reside, leaving a true and attested copy of such description and statement with each of such persons personally, or at their last and usual place of abode in this state with some person living there and in case any of such persons are absent from this state and have no last and usual place of abode therein occupied by any person; such copy shall be left by the sheriff or his deputies of the county where the real property lies with the persons, if any, in charge of or having possession of such land, or interest therein, if the same are known to said officer. Whenever any owner or person entitled to any estate in or any interest in any part of the real property taken resides or is without the state, the Authority shall cause to be served on each such person personally or at his last and usual place of abode a copy attested as aforesaid of such resolution and statement by any disinterested person, which person shall make affidavit of the service thereof and of the mode in which, the time within, and the place at which the service has been made; or service thereof may be made by the

admission of such service by said person on the back of a copy of such resolution and statement and by his acknowledgement thereof before an officer authorized to administer oaths under the law of the place where such admission of service is acknowledged. Upon the filing of such resolution, plat and statement, the Authority shall cause a copy of such resolution and statement to be published in some newspaper published or having general circulation in the county where said land, or interest therein, may be located, at least once a week for three successive weeks. If any person shall agree with the Authority for the price of the land, or interest therein, so taken, the court upon the application of the parties in interest, may order that the sum agreed upon be paid forthwith from the money deposited, as the just compensation to be awarded in said proceeding.

(d) Any owner of or persons entitled to any estate in or interested in any part of the land, or interest therein, so taken, who cannot agree with the authority for the price of the land, or interest therein, so taken in which he is interested as aforesaid, may, within one year after personal notice of said taking, or if he has no personal notice, may within two years from the first publication of a copy of such resolution and statement, apply by petition to the Superior Court in and for Providence county setting forth the taking of his land or interest therein, and praying for an assessment of damages by a jury or by the court sitting without a jury. Upon filing of such petition the court shall cause twenty days' notice of the pendency thereof to be given to the authority by serving the chairman or vice chairman of the authority with a certified copy thereof, and may proceed after such notice to the trial thereof, and such trial shall determine all questions of fact relating to the value of such land, or interest therein, and the amount thereof, and judgment shall be entered upon the verdict, and execution shall be issued therefore against the money so deposited in court and in default thereof against any other property of the authority. In case two or more conflicting petitioners make claim to the same land, or to any interests therein, or to different interests in the same parcel of land, said court upon motion may consolidate their several petitions for the trial at the same time,

and may frame all necessary issues for the trial thereof.

(e) If any lands, or interests therein, in which any infant or other person not capable in law to act in his own behalf is interested are taken by the authority under the provisions of this act, said Superior Court, upon the filing therein of any such petition by or in behalf of such infant or other person, may appoint a guardian ad litem for such infant or other person, and such guardian may appear and be heard in behalf of such infant or other person; and such guardian may also with the advice and consent of said superior court and upon such terms as said superior court may prescribe release to the authority all claims for damages for the lands of such infant or other person or for any such interests therein. Any lawfully appointed, qualified and acting guardian or other fiduciary of the estate of any such infant or other person, with the approval of the court of probate within this state having jurisdiction to authorize the sale of lands and properties within this state of any such infant or other person, may, before the filing of any such petition, agree with the authority upon the amount of damages suffered by such infant or other person by any taking of his lands or of his interests in any lands, and may, upon receiving such amount, release to the authority all claims of damages of such infant or other person for such taking.

(f) Whenever, from time to time the authority has satisfied the court that the amount deposited with the court is greater than is amply sufficient to satisfy the claims of all persons interested in said land, the court may order that the amount of any such excess, including any interest or increment on any sums so deposited shall be repaid to the authority. Whenever the authority has satisfied the court that the claims of all persons interested in the land taken have been satisfied, the unexpended balance including any interest or increment on any sums so deposited shall be paid forthwith to the authority.

(g) In any proceedings for the assessment of compensation and damages for land or interest therein taken or to be taken by eminent domain by the Authority the following provisions shall be applicable:

(1) At any time during the pendency of such action or proceeding, the Authority or an owner may apply to the court for an order directing an owner or the Authority, as the case may be, to show cause why further proceedings should not be expedited, and the court may upon such application make an order requiring that the hearing proceed and that any other steps be taken with all possible expedition.

(2) If any of the land, or interest therein, is devoted to a public use, it may nevertheless be acquired as heretofore provided and the taking shall be effective provided that no land or interest therein, belonging to a public utility corporation may be acquired without the approval of the administrator of public utilities or other officer or tribunal having regulatory power over such corporation. Any land, or interest, therein, already acquired by the Authority may nevertheless be included within such taking for the purpose of acquiring any outstanding interests in such land.

(3) If after hearing by the Superior Court, damages finally awarded in respect to the property taken, or any part thereof, shall exceed the amount of money originally offered by the Authority, the court shall enter judgment for said damages with interest from the date the Authority became entitled to enter upon and take possession of and use such land or interest or estate therein. If, however, the damages finally awarded are the same or less than the amount originally offered by the Authority for the property then no interest shall be due on said judgment.

Upon the application of any party in interest and upon joinder of all ^{other} parties in interest, the court, on such conditions as it may deem proper may order that the money, or any part thereof, deposited in the court, be paid forthwith without interest for or on account of the just compensation to be awarded in said proceeding.

If the damages finally awarded in respect to said real property, or any part thereof, shall exceed the amount of the money so received by any person entitled thereto, the court shall enter judgment against the funds so deposited in court or in default thereof against other property of said Authority for the amount of the deficiency plus interest on the deficiency and costs. If the judgment entered is less than the amount withdrawn, then and in that event judgment shall be entered for the Authority for the difference between the amount withdrawn and the amount of the judgment plus interest on the overpayment and costs.

Whenever interest is allowed it shall be computed at the prevailing rate paid by Savings Banks in the City of Providence.

(4) The Authority shall have power to make relocation payments to transients or eligible individuals, families and business concerns for moving expenses and losses of property resulting from their displacement by any project undertaken by the Authority pursuant to the provisions hereof, subject to the following conditions:

(a) Definitions:

(1) "Relocation payments" shall mean payments by the Authority to transients, eligible individuals or families and business concerns for their reasonable and necessary moving expenses and any actual direct losses of personal property to business concerns, except good will or profit, resulting from their displacement from any project.

(2) "Eligible individual or family" shall mean an individual or family owning furniture in housing accommodations.

(3) "Individual" shall mean a person who is not a member of a family as defined below.

(4) "Family" shall mean a group of two or more persons living together and related by blood, marriage or adoption; of two or more single persons not related by blood, marriage or adoption, who are living together in a single housekeeping unit.

(5) "Transient" shall mean a displaced individual or family not owning furniture but occupying housing accommodations.

(6) "Business concern" shall include a corporation, firm, partnership, individual, or other entity engaged in some type of business or profession necessitating fixtures, equipment, stock in trade, or other tangible property for the carrying on of the business or profession. Non-profit organizations and institutions such as churches and hospitals are included.

(7) "Occupied room" shall include all furnished rooms except bathrooms, hallways and closets.

SEC. 2. Upon presentation of evidence satisfactory to the Authority of the fact of relocation, there may be paid to each individual, transient, or family a sum of money in accordance with a schedule of payments approved by the United States Government in Federally Aided Urban Renewal Projects in the City of Providence. In the case of business concerns, the sum of money to be paid shall be based upon the actual necessary moving expense incurred and any direct losses sustained to personal property, but not goods kept for sale, good will or profit. Such payments shall be made subject to such rules and regulations as may be prescribed by the Authority and shall not exceed \$200.00 in the case of each transient, individual or family, or \$3,000.00 in the case of each business concern.

ARTICLE VIII. REVENUE BONDS.

SECTION 1. Bond Provisions. The authority is hereby authorized to provide by resolution for the issuance, at one time or from time to time, of revenue bonds of the authority for the purpose of paying all or a part of the cost of any one or more projects, the construction or acquisition of which is authorized by this act. The principal of and the interest on such bonds shall be payable solely from the funds herein provided for such payment. The bonds of each issue shall be dated, shall bear interest at such rate or rates not exceeding six per centum (6%) per annum, payable semi-annually, shall mature at such time or times not exceeding forty years

from their date or dates, as may be determined by the Authority, and may be made redeemable before maturity, at the option of the Authority, at such price or prices and under such terms and conditions as may be fixed by the authority prior to the issuance of the bonds. The Authority shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of the principal and interest, which may be at any bank or trust company within or without the state. The bonds shall be signed by the chairman of the Authority or shall bear his facsimile signature, and the official seal of the Authority or a facsimile thereof shall be impressed or imprinted thereon and attested by the secretary of the Authority, and any coupons attached to the bonds shall bear the facsimile signature of the chairman of the Authority. In case any officer whose signature or facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The bonds may be issued in coupon or in registered form, or both, as the Authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, for the reconversion into coupon bonds of any bonds registered as to both principal and interest, and for the interchange of registered and coupon bonds. The Authority may sell such bonds in such manner, either at public or private sale, and for such price as it may determine to be for the best interests of the purposes of this act, but no such sale shall be made at a price so low as to require the payment of interest on the money received therefore at more than six per centum (6%) per annum, computed with relation to the absolute maturity of the bonds in accordance with standard tables of bond values, excluding, however, from such computation the amount of any premium to be paid on redemption of any bonds prior to maturity.

The proceeds of the bonds of each issue shall be used solely for the payment of the cost of the project or projects for which such bonds shall have been issued,

and shall be disbursed in such manner and under such restrictions, if any, as the Authority may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. If the proceeds of the bonds of any issue, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit, and, unless otherwise provided in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference of priority of the bonds first issued. If the proceeds of the bonds of any issue shall exceed such cost, the surplus shall be deposited to the credit of the Sinking Fund for such bonds.

Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. Bonds may be issued under the provisions of this act without obtaining the consent of any department, division, commission, board, bureau or agency of the state, and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this act.

SEC. 2. Credit of City of Providence Not Pledged. Revenue Bonds issued under the provisions of this act shall neither be deemed to constitute a debt of the city or any political subdivision thereof nor a pledge of the faith and credit of the city or any such political sub-division, but shall be payable solely from the funds provided therefore from revenues of the Authority. All such revenue bonds shall contain on the face thereof a statement to the effect that neither the city nor the authority shall be obligated to pay the same or the interest thereon except from revenues of the project or projects on account of which such bonds shall be issued and that neither the faith and credit nor the taxing power of the city or any political sub-division thereof is

pledged to the payment of the principal of or the interest on such bonds. No liability or obligation shall be incurred by the authority thereunder beyond the extent to which moneys shall have been provided under the provisions of this act.

SEC. 3. Trust Agreement. In the discretion of the authority any bonds issued under the provisions of this act may be secured by a trust agreement by and between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the state. Such trust agreement or the resolution providing for the issuance of such bonds may pledge or assign the revenues to be received, but shall not convey or mortgage any project or any part thereof. Such trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law. It shall be lawful for any bank or trust company incorporated under the laws of the state which may act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such trust agreement may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action by bondholders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the authority's cost of operation and maintenance.

SEC. 4. Revenues. The Authority is hereby authorized and empowered to fix and revise from time to time subject to the provisions of this act, and to charge and collect, fees, rentals, and other charges for the use of the facilities of, or the services rendered by, the Authority or projects thereof at reasonable rates to be determined by it. Such fees, rentals, and other charges shall be so fixed and adjusted in respect of the aggregate of them from the project or projects or the portion or portions thereof in connection with which bonds shall have been issued under the provisions of this act as to provide a fund sufficient with other revenues, if any,

to pay (a) the cost of maintaining, repairing and operating such project or projects or portion or portions thereof and (b) the principal of and the interest on such bonds as the same shall become due and payable, and to create reserves for such purposes. Such fees, rentals, and other charges shall not be subject to supervision or regulation by any commission, board, bureau or agency of the city or other political subdivision thereof. The revenues derived from the project or projects or portion or portions in connection with which such bonds shall have been issued, except such part thereof as may be necessary to pay such cost of maintenance, repair and operation and to provide such reserves therefor as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement, in a Sinking Fund which is hereby pledged to and charged with the payment of the principal of and the interest on such bonds as the same shall become due, and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the rentals' revenues or other moneys so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the authority, which are hereby declared to be public records. The use and disposition of moneys to the credit of such Sinking Fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of such trust agreement. Except as may otherwise be provided in such resolution or such trust agreement, such Sinking Fund shall be a fund for all such bonds without distinction or priority of one over another.

SEC. 5. Trust Funds. All moneys received pursuant to the provisions of this act, whether as proceeds from the sale of bonds or as revenues, shall be deemed to be trust funds to be held and applied solely as provided in this act. The Authority

shall, in the resolution authorizing the bonds or in the trust agreement securing such bonds, provide for the payment of the proceeds of the sale of the bonds and the revenues to be received to a trustee, which shall be any trust company or bank having the powers of a trust company within or without the state, who shall act as a trustee of the funds, and hold and apply the same to the purposes of this act, subject to such regulations as this act and such resolution or trust agreement may provide.

SEC. 6. Remedies. Any holder of bonds issued under the provisions of this act or any of the coupons appertaining thereto, and the trustee under the trust agreement, except to the extent the rights herein given may be restricted by such trust agreement, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the state or granted hereunder or under such trust agreement or the resolution authorizing the issuance of such bonds, and may enforce and compel the performance of all duties required by this act or by such trust agreement or resolution to be performed by the Authority or by any officer thereof, including the fixing, charging and collecting of fees, rentals, and other charges.

SEC. 7. Exceptions from Taxation. The exercise of the powers granted by this act will be in all respects for the benefit of the people of the City of Providence and of the State of Rhode Island, and for the facilitation of the conduct of their public business, and as the acquisition, construction, operation and maintenance by the Authority of the projects herein defined will constitute the performance of essential governmental functions, provided that the Authority shall not be deemed an instrumentality of the city or engaged in a municipal function, the Authority shall not be required to pay any taxes or assessments upon such projects or upon any property acquired or used by the Authority under the provisions of this act or upon the income from such projects, except upon such portions thereon which are not used for parking, and the bonds issued under the provisions of this act, their transfer and the income therefrom (including any profit made on the sale thereof) shall at all times be free from taxation with the State of Rhode Island. The Authority, however, may make payments to the city in lieu of taxes.

SEC. 8. Bonds Eligible for Investment. Bonds issued by the Authority under the provisions of this act are hereby made securities in which all public officers and public bodies of the State of Rhode Island and its political sub-divisions, all insurance companies, trust companies, banking associations, investment companies, credit unions, building and loan associations, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any state or municipal officer or any agency or political sub-division of the state for any purpose for which the deposit of bonds or obligations is now or may hereafter be authorized by law.

SEC. 9. Negotiable Instruments. Notwithstanding any of the foregoing provisions of this act or any recitals in any bonds issued under the provisions of this act, all such bonds shall be deemed to be negotiable instruments under the laws of this state.

SEC. 10. Revenue Refunding Bonds. The Authority is hereby authorized to provide for the issuance of revenue refunding bonds of the Authority for the purpose of refunding any bonds then outstanding which shall have been issued under the provisions of this act, including the payment of any redemption premium thereon or any interest accrued or to accrue to the date of redemption of such bonds, and, if deemed advisable by the Authority, for the additional purpose of constructing improvements, extensions or enlargements of the project in connection with which the bonds to be refunded shall have been issued. The Authority is further authorized to provide by resolution for the issuance of its revenue bonds for the combined purpose of (a) refunding any bonds then outstanding which shall have been issued under the provisions of this act, including the payment of any redemption premium thereon and any interest accrued on or to accrue to the date of redemption of such bonds, and (b) paying all or any part of the cost of any additional project. The issuance of such bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the Authority in respect of the same shall be governed by the provisions of this act in so far as the same may be applicable.

SEC. 11. Use of Projects. The use of the facilities of the Authority and the operation of its business shall be subject to the rules and regulations from time to time adopted by the Authority; provided, however, that the Authority shall not be authorized to do anything which will impair the security of the holders of the obligations of the Authority or violate any agreements with them or for their benefit. The Authority shall carry adequate Public Liability Insurance upon its properties.

SEC. 12. Limitation of Powers. The City of Providence does hereby pledge to and agree with any person or federal agency subscribing to or acquiring the bonds to be issued by the Authority for the construction, extension, improvement, equipping, furnishing or enlargement of any project or part thereof, that the City of Providence will not limit or alter the rights hereby vested in the Authority in any manner which will be inconsistent with the provisions hereof or which would adversely affect the payment of the bonds until all bonds at any time issued, together with the interest thereon, are fully met and discharged. The City of Providence does further pledge to and agree with the United States and any other federal agency that in the event that any federal agency shall construct or contribute any funds for the construction, extension, improvement, equipping, furnishing or enlargement of any project or any portion thereof, the city will not alter or limit the rights and powers of the Authority in any manner which would be inconsistent with the due performance of any agreements between the Authority and such federal agency; and the Authority shall continue to have and may exercise all powers herein granted, so long as the same shall be necessary or desirable for the carrying out of the purposes of this act.

ARTICLE IX. CONTRACTS FOR WORK

SECTION 1. Bids. Any work of grading, clearing, demolition, improvement, construction, or purchase of equipment or furnishings of a value of more than one thousand (\$1,000) dollars undertaken by the Authority shall be done by contract awarded to the lowest responsible bidder upon competitive bids after public notice.

The said Authority shall require the successful bidder or bidders to file with the Authority good and sufficient bonds, to be approved by the Authority, conditioned

upon the faithful performance of the contract and upon the payment of all claims for labor and material in connection therewith.

ARTICLE X. MISCELLANEOUS.

SECTION 1. Resolution of the Authority. Any action taken by the Authority under the provisions of this act may be authorized by resolution at any regular or special meeting.

SEC. 2. Annual Report. In the month of January the Authority shall make an Annual Report to the Mayor and to the City Council of its activities for the preceding fiscal year. Each such report shall set forth a complete operating and financial statement covering its operations during the year, positions and salaries of its employees. The Finance Director of the City of Providence shall cause an annual audit of the books, records and accounts of the Authority to be made and the costs thereof shall be treated as a part of the cost of operation. Said report shall be a public record. The City Council may by Resolution require interim reports.

SEC. 3. Transfer to Governmental Body (Lessee). When all bonds issued under the provisions of the act for each specific project and the interest thereon shall have been paid or a sufficient amount for the payment of all such bonds and the interest thereon to the maturity thereof shall have been set aside in trust for the benefit of the bondholders, that specific project financed under the provisions of this act shall be transferred in good condition and repair to the City of Providence. When the last project undertaken under the provisions of this act shall be so transferred, thereupon the Authority shall be dissolved and all funds of the Authority not required for the payment of bonds shall be paid to the City Treasurer for the use of the city and all machinery, equipment and other property belonging to the Authority shall be vested in the city and delivered to it.

SEC. 4. Effect of Failure to Issue Bonds. If the Authority shall fail to issue any bonds under the provisions of this act before the expiration of five years from the effective date of this act, the Authority shall be dissolved and all funds not otherwise charged shall be paid to the City Treasurer for the use of the city and other property held by the Authority shall be delivered to the city.

SEC. 5. Constitutional Construction. The provisions of this act are severable, and if any of its provisions shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions.

SEC. 6. Short Title. This act shall be known and may be cited as the "Providence Parking Authority Act."

SEC. 7. Effective Date. This act shall take effect upon its passage.
