Department of Public Works  
Traffic Engineering Division

David N. Cicilline, Mayor | Bernard Lebby, Traffic Engineer | Paul J Thomas, Director

**MEMORANDUM**

**TO:** Anna Stetson, Office of the City Clerk

**FROM:** E. Bernard Lebby, Traffic Engineer 

**CC:** Councilman Leon F. Tejada, Chairman, Committee on Public Work  
Paul J. Thomas, PE, Director of DPW

**DATE:** October 26, 2009

**SUBJECT:** Resolution requesting the Traffic Engineer to cause the installation of a STOP sign at the corner of Windmill Street and Paul Street.

---

The DPW – Traffic Engineering Division updated Traffic Regulation #TR 9-648 to establish a Three-Way STOP at the intersection of Windmill St and Paul St. This work was completed on 10/23/09.

As an added measure, we have subcontracted for the installation of a painted crosswalk across Paul Street at Windmill Street. A crosswalk cannot be painted across Windmill Street because there has never been one there and any new crosswalks have to be ADA compliant. Before a crosswalk can be painted across Windmill Street at Paul Street, the sidewalks will have to be modified to include handicap accessible ramps.
